Printed in China.

Then, during  
the annual  
Tea Festival...

... they  
attacked!

They firebombed  
the event, setting  
fire to Everything  
and burning David.

Since then, he  
has been kept in a deep  
sleep by the Peaches.

Until we can fetch  
the medicine we need  
to heal his burns.

They're  
really bad  
and gross!

But the only ones  
with the medicine  
we need are  
the Lizards!

So we're going to have  
to sneak into their village  
and steal the medicine.

Is that  
about it?

Yeah, I  
think that's  
everything.
