

# THE UNITED NATIONS.

GENERAL ASSEMBLY.

...CALL THIS EMERGENCY SESSION TO ORDER.

IN LIGHT OF RECENT ACTIVITIES IN AND AROUND THE ISLAND OF GENOSHA BY SUPERHUMAN TERRORISTS, IT SEEMS IMPERATIVE THAT THIS BODY ACT--

--IMMEDIAT--

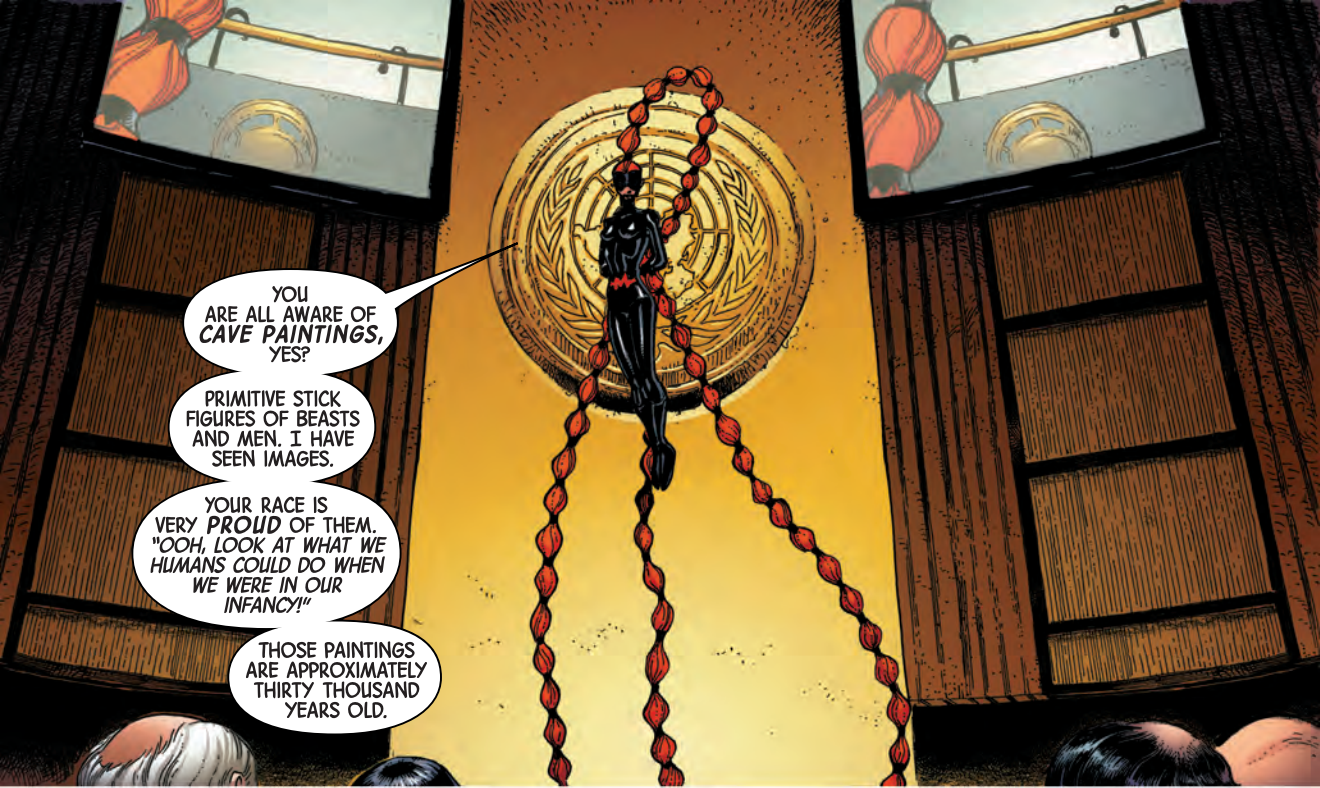

WHA--

HUMAN NATIONS OF THE WORLD.

I THOUGHT IT WAS TIME WE TALKED.

YOU ARE ALL AWARE OF CAVE PAINTINGS, YES?

PRIMITIVE STICK FIGURES OF BEASTS AND MEN. I HAVE SEEN IMAGES.

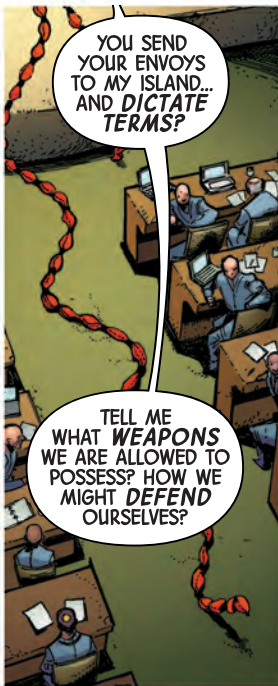

YOUR RACE IS VERY PROUD OF THEM. "OOH, LOOK AT WHAT WE HUMANS COULD DO WHEN WE WERE IN OUR INFANCY!"

THOSE PAINTINGS ARE APPROXIMATELY THIRTY THOUSAND YEARS OLD.

THIRTY THOUSAND YEARS AGO, THE INHUMANS HAD ALREADY LANDED ON THE MOON.

AND MARS.

YOU SEND YOUR ENVOYS TO MY ISLAND... AND DICTATE TERMS?

TELL ME WHAT WEAPONS WE ARE ALLOWED TO POSSESS? HOW WE MIGHT DEFEND OURSELVES?

PERHAPS YOU FEEL SECURE BECAUSE YOU ARE *MANY*, AND WE ARE YET *FEW*.

BUT WITH THE T-CLOUD TRAVELING THE PLANET, THE TRUTH IS THIS--

--EVERY DAY THERE ARE MORE OF US, AND FEWER OF YOU.

YOU SEEM TO WANT TO *INSIST* ON MAKING ENEMIES OF US. QUITE HONESTLY...

...IT MAKES ME WANT TO SHOW YOU ALL WHAT THAT WOULD ACTUALLY MEAN.

HEY.

BAD HAIR DAY?
