

# EXTREMIS 3.0

BE BEAUTIFUL • BE INTELLIGENT • BE HEALTHY • BE IMMORTAL

# BE SUPERIOR

Tony Stark is a technological visionary...a famous, wealthy and unparalleled inventor. With the world's most advanced and powerful suit of armor, Tony has valiantly protected the innocent as the golden Avenger known as IRON MAN.

A recent battle with a mentally powered villain has altered Tony's mind. With a more arrogant and aggressive personality surfacing, Tony used San Francisco as a testing ground for his newest invention...the Extremis 3.0 app. It can improve a person's life, making them more attractive, smarter and healthier...but it comes at a cost and not everyone can afford it. San Francisco's population is now divided into two groups—mere humans and those who are...superior.

Daredevil is one of many of Tony's allies that think he's acting out of character. He's tried confronting Tony about the harm Extremis 3.0 is having on the city, but it's resulted in the blind hero being cured by the app. With Matt Murdock able to see, will he accept Tony's vision for humanity?

I KNOW  
WHAT YOU'RE  
THINKING.

YOU'RE A  
VERY LUCKY  
MAN, MATT  
MURDOCK.

YOU  
GET TO SEE  
AGAIN.

AND  
THE FIRST  
FACE YOU GET  
TO SEE IS *THIS*  
*ONE.*

WHAT HAVE YOU DONE?

I TAILORED A STRAIN OF EXTREMIS TO TEMPORARILY SEND A SIGNAL THROUGH YOUR OCULAR NERVES AND REDUCE THE SCARRING ON YOUR RETINAS. IT WON'T LAST LONG. YOUR SIGHT WILL DETERIORATE PRETTY QUICKLY.

YOU'LL NEED CONSTANT BOOSTERS, BUT I'M HAPPY TO DISCUSS HOW WE'RE GOING TO KEEP THE GIFT OF SIGHT GOING.

FREE OF CHARGE, OF COURSE.

SO, THIS "GIFT" JUST HAPPENS TO COME WITH THE SAME CYCLE OF DEPENDENCE YOU'VE FORCED ON THE REST OF THE CITY.

ARE YOU TRYING TO BUY MY APPROVAL?

YOU WANT ME ADDICTED TO YOU TOO, TONY?
