INTO THE UNKNOWN

Shadow the Hedgehog thought he had already defeated the evil alien race known as the Black Arms, but now they're back! How can this be?!

BREAKING POINT

Something is up with Sonic! The mission to gather the Chaos Emeralds goes awry when a new foe pushes Sonic over the edge of control!

THE CHASE: PART ONE

LOOK OUT FOR THE TRAIN! Sonic and the Freedom Fighters have to stop a speeding locomotive before the power to rule the world falls into the hands of Dr. Eggman!

STARTING WITH A BOOM

WRITER IAN FLYNN, ALONG WITH ARTISTS EVAN STANLEY, RICK BRYANT, JACK MORELLI AND MATT HERMS PROVIDED THEIR TALENTS FOR A FANTASTIC ISSUE #1

THE COMIC BOOK

In addition to video games, the TV series, toys and more -- Sonic Boom™ is also the all-new monthly comic book from Archie Action Comics!

Archie Sonic comic writer Ian Flynn is at the helm of the series, dreaming up big stories and even bigger fun for the Sonic Boom comic book. Whereas the Sonic the Hedgehog and Sonic Universe comic book series' lean more towards the action-drama genre, Sonic Boom leans more heavily toward comedy and adventure.

As with the television show, anything goes in this comic book, so look out for unlikely team-ups, sentient screwdrivers, wacky races and Sticks! LOTS AND LOTS OF STICKS! ■

BOOMING THE BOOKS
