ADVENTURE TIME

AND THE CASE OF THE MISSING THING

Party God:

Party God is here to party!! His list of interests is just the word **'PARTY'** written down infinity times!! He's so great!

LSP:

It's short for "Lumpy Space Princess", and HER list of interests is way better than YOUR list of interests. Oh my glob, don't even TRY to act like it's not the truth!!

Jake The Dog:

Magical dog with stretchy powers. His pal rating now at 210%! That's crazy!!

BMO:

The #1 computer pal in this #1 computer locale!! Sorry N.E.P.T.R.!

Not pictured is the **EARL OF LEMONGRAB**, who went back to that chair in an empty room to scream some more because he had a few hours to spare before dinner.

Marceline The Vampire Queen:

Over a thousand and three years old. She's great at music **AND** computers! Be cool, okay? Just--just keep being cool.

Princess Bubblegum:

Alive gum, princess/pal, and undisputed regent of the Candy Kingdom, which you might remember from their slogan: "Whoa, This Kingdom Is Totally Sweet™"

Tree Fort:

It's full of treasure **AND** comfortable beds, which, honestly, makes it a pretty great place to live.

Finn The Human:

Awesome hat, **AWESOMER** human. Pal rating now at 211%! That's even slightly crazier!!

Ice King:

Dang, I should've saved 'be cool' for this guy. His **ICE MAGIC** and the power to make you feel sad if you talk to him for too long. Ha! Classic Ice King!!
