

Driver!  
We, uh--we  
kind of have  
a problem  
here --

I'll be  
with you in a  
second.

*Driver!*  
*This is serious!*  
*The assassins that*  
*killed Battery and*  
*our other targets*  
*have found us and*  
*we need immediate*  
*backup!*

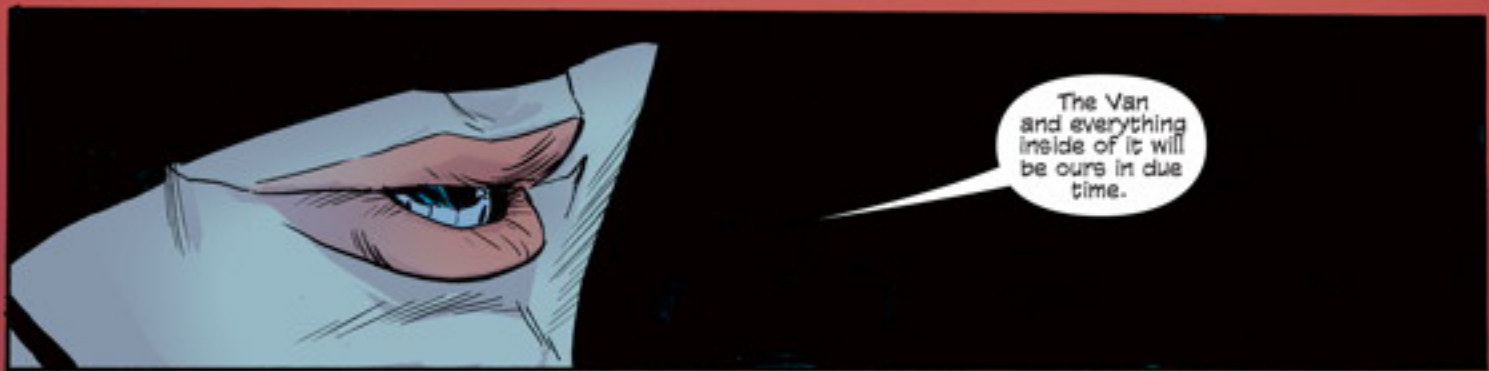

Miss  
Adventure...

What  
did I just  
say?

E, you got him?

Got it. Go!

Señorita?! What in God's holy hell is happening?

We're the Paybacks. We're here to help.

The loan sharks?! I don't care how you found me. I'm not coming with you!

Yeah... well, let's make sure you aren't killed first and then we can--

PWOOSH

--talk about it...

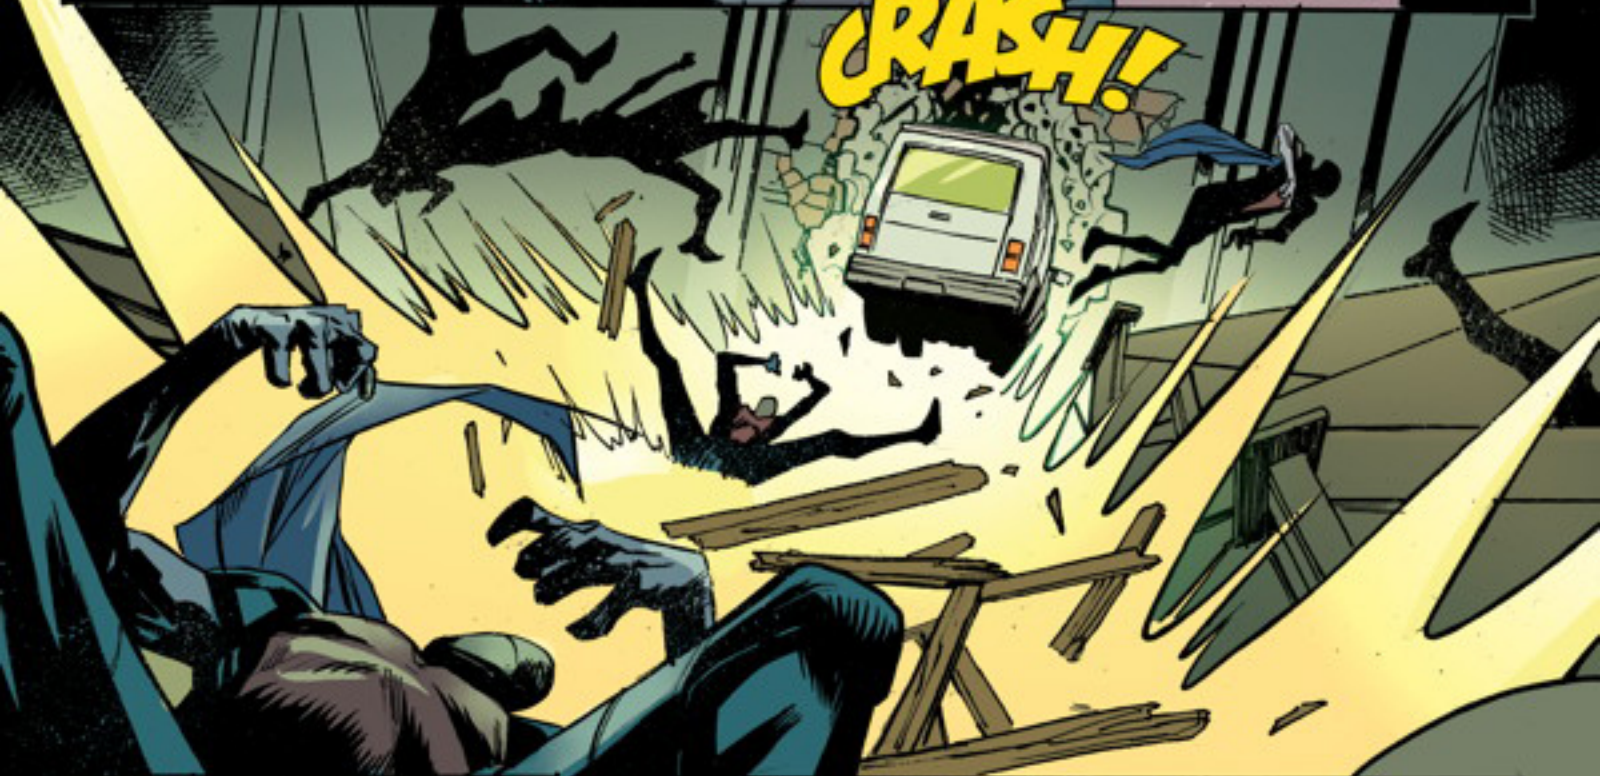

-- The hell was that?!

He's a speedster... Dammit, I hate speedsters.

Driver!

Way ahead of you. This ain't my first rodeo, E.

**CRASH!**

*¡Maldice este camión infernal!*

Look alive back there! We got a runner...

You ready for this?

Quite.
