

"But what you don't know is the history that G and Lily share."

"Your father met G in Australia during his failed efforts to salvage the Great Barrier Reef."

"Don't touch anything. And follow me exactly."

"I don't have orders from you, G."

"G showed up with hundreds of others looking for jobs."

"G had just been released from prison. I was against taking him, but your father interviewed him personally."

"I don't know what G said to your father, but he was immediately tested."

"Well, you'd best."

"Wouldn't want any accidents."
