YAKUZA
DEMON KILLERS

STORY SO FAR...

In the neon jungle of Tokyo, monsters are real. During a heist for an antique sword, two thieves named Ochita and Rizzo are attacked by a pack of blood-thirsty demons. During the melee, the sword comes to life and latches onto Ochita's arm. Before the monsters can kill them, the duo is saved by four mysterious Yakuza. However, dark forces pull strings from afar, as a swarm of demonic reinforcements prepare their assault.
