

Dear Santa,

It's me, your friendly neighborhood Spider-Man. I've been very good this year, saving the world and all that, and there's a few things I would like for the holidays. I would love a lunch (date with Neil deGrasse Tyson and Stephen Hawking, the ultimate science bros. Also, a subscription to *Crochet World Magazine*, for Aunt May. But what I really want is homes for the homeless, food for the hungry, and peace on earth. Also, I'd really love some Hamilton tickets.

Best regards,

AMAZING SPIDER-MAN

Dear Krampus,

It's Christmas, which means it's time to cough up some gifts for your good pal Deadpool, number one on your naughty list. I want a *Family Matters* action figure set. I want a subscription to *Cal Fancy Magazine*, including the swimsuit issue. I want bullets, like one for a person who has ever done the Mannequin Challenge (I'd like them stop moving permanently). I want a walrus costume. I want a lock of Bea Arthur's silver hair. How about some Hamilton tickets?

XOXO,
