

Patsy Walker, A.K.A.

# HELLCAT!

That's me!

Since losing her gig as a private investigator, Patsy started a temp agency for super-powered people who aren't interested in the hero business.

But they were too late to stop B.C. from stealing some blinged-out claws, slashing Bailey, and bringing her over to the dark side! What the *how?!!*

She's made a bunch of friends on the job! There's her childhood pal **Tom Hale**, her telekinetic roommate **Ian Soo**, **Bailey** (master of a magical satchel of holding), former X-person **Jubilee**...

These drastic times inspired Ian to dashing measures! He jumped into heroics just in time to help Patsy stop **Black Cat** from getting away with a costume-museum heist.

But Patsy's not the only cat with a clowder in the neighborhood! **Black Cat** has recruited a gang, the **Black Cats**. So far, two of them (including Ian's ex **Zoe**!?) got in a fight with Ian and Patsy, and the others kidnapped Bailey!

THE ISHIOKA MUSEUM OF COSTUME DESIGN.  
QUEENS. NOW.

So, my pretties...what do you think? You hand over my girls and I give you back your *friend* here, safe as houses. Fair deal, n'est-ce pas?

I don't like this, Pats.

Me either. Something's up--I can feel it.

Magic?

Possibly.

Um...

Sorry, did we miss something? What magic?

Watch and learn, kittens.

~~\_\_\_\_\_~~  
You got it, boss.

Bailey, whatever she's done to you, I can--

Save your breath. You'll need it for whimpering.

Cut it out! We're your friends!

Nuh-uh, y'all. I'm out.  
Wait for me!

Jin?  
I'm on it.

Ladies First.

Bailey, listen to me!

It's *Attaché*!

Fine! *Attaché*, since when do you play for the dark side?

**THUNK**

Maybe I wanted to be on the *winning* team for once!

**WHUMP**

We're trying to help you!

And look how *well* you're doing.

Catch!

**POOF**

Yowza!

Hey, be careful with those--

Oh.
