

After surviving a future known as the Wastelands where everything good in the world was destroyed, Old Man Logan awoke in the present, determined to prevent the death of his wife and children. Even after accepting that the past he remembers is not real, he is still haunted by his lost family.

Jubilee has gone missing and Logan is determined to find his young friend. Traveling to her last known location in Romania, he met up with the Howling Commandos of S.H.I.E.L.D., a supernatural strike team searching for their missing teammate, Vampire By Night. Turns out Dracula is back and is calling all vampires, including Jubilee, to him... but for what reason?
