

Book III, Part II
THE GATHERING STORM

It is a time of uncertainty in the galaxy. Standing against the oppression of the First Order is General Organa's Resistance, including Poe Dameron and his team of ace pilots — Black Squadron.

Black Squadron has undertaken a mission to find the explorer Lor San Tekka, and a new enemy has emerged: Terex, an officer of the First Order Security Bureau. Though Poe's crew of pilots has managed to survive multiple encounters, Terex has vowed to destroy them.

Meanwhile, the droid C-3PO has approached Poe with an urgent undertaking — to retrieve information and rescue a droid operative on the planet Kaddak. But what they don't know is that Terex is on Kaddak, too....
