**Meanwhile, on Earth...**

Any news, Squirrel Scouts?

We've got every squirrel within 500 miles on alert, but so far there's been no sign of either of them.

What the heck? *This doesn't make any sense.*

Maybe if we go over the Facts again?

Good idea, Dimitra.

And **Fact Four**: wherever they are now, it's not a place that squirrels can find them, but that's *every place ever* because of how awesome y'all have been.

No problem, Li'l Busta.  
Thanks, Doreen.

I don't get it. It's like they just disappeared! Six hours of searching and all we have to show for it are news reports saying "*NY State squirrels slightly nosier than usual.*"

This feels like a dead end.

Yeah, but the only witness in the room where it happened was Mew, and it's not like we can just...talk...to her...

...Holy cow. That's just nutty enough to work.

I'll be back--keep looking!!

Bye Doreen!  
Bye Renegade Master! You're my star!

See that? She said I'm her star.

We're all her stars, Rene.

Hmph.

**Tigra:**

I can't talk to cats, Squirrel Girl.

**White Tiger:**

I can't talk to cats, Squirrel Girl.

**Black Cat:**

I can't talk to cats, Squirrel Girl.

**Kitty Pryde:**

It's just short for "Katherine," Squirrel Girl, and I can't talk to cats. I teach school now.

Hence the sign.

Xavier School  
Central Park  
Branch

**Beast:**

I may have catlike fur in my current mutation, child, but I cannot speak to them.

Also, I doubt their brains are complex enough for the infrastructure necessary for language, let alone to sustain a sort of mind that most believe is necessary for communication, given you must first believe others have a self like yours in order to desire communication between

**Hellcat:**

I can't talk to cats, Doreen. I...never claimed I could?

Hey, Howard works in my building. He's still got that talking cat from your adventure together, yeah?

**Biggs the Cyborg Cat:**

NO-TALK-PLEASE-JUST-PETS-PLEASE

Listen, you should talk to "Sorcerer Supreme" Doctor Strange. He's a jerk and he owes me \$17, but he's probably got, like, spells that let you talk to cats.

Tell him I want my \$17!

And tell him his "magic prank" of making my tail feathers grow every time I call him a jerk isn't funny either!

Dang it, Strange.

HAH-HAH

ENOUGH-LAUGH-PLEASE-PET-BIGGS-NOW

Meanwhile, on Planet Chitt-crrt...

...five days ago.

Huh? Strange visitors from another world?!

Were we expecting anyone?

I don't think so!

Oh no.

No, not this. Anything but this.

Anything but the herald of **GALACTUS, THE DEVOURER OF WORLDS!**

What it is, squirrel bros? **The SILVER SURFER** in the hiz-ouse!

**HOLLAAA!**

I don't know what sound it makes when people speak in logo Fonts in comic books, but I know that whatever it sounds like, it's *totally* amazing.
