VENOM
part four

As **THE AMAZING SPIDER-MAN**, **PETER PARKER** has spent years battling the **Venom** symbiote. Recently, Peter was caught in the crossfire between two of its hosts—**EDDIE BROCK** and **FLASH THOMPSON**—as they battled to bond with the symbiote. Exposed to an experimental Alchemax serum, Flash became the new **ANTI-VENOM**!

Spider-Man and **Anti-Venom** then teamed up to locate the missing symbiote of Flash's friend, **Andrea Benton**. Their search led them to **BLACK CAT** and her crew—now the mind-controlled recruits for **LEE PRICE**'s burgeoning symbiote army. Although Cat managed to free herself from Price's control, Spidey and Flash were outgunned and captured.

After her escape, **Black Cat** crossed paths with **Eddie** who finally reunited with his symbiote to become **VENOM** once more!
