1940! As the world teetered on the brink of global war, frail Steve Rogers entered a secret laboratory and was transformed into the American Super-Soldier! For five thrilling years, he fought the Axis powers--until a freak stroke of fate threw him into suspended animation. When he awoke, he was a man decades out of his time! Since that fateful day, Steve Rogers has sought his destiny in this brave new world!

CAPTAIN AMERICA

An evil version of Captain America led the world to the brink of destruction. The original Captain America returned in time to stop him, but the dark legacy of the Secret Empire lingers on--a truth felt by no one more than Steve Rogers himself.
