THE INCREDIBLE HULK

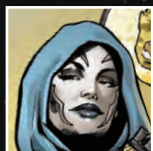

Super-genius teenager Amadeus Cho cured Bruce Banner and took on the power and mantle of the Hulk!

While in self-quarantine in deep space, Amadeus responded to a distress signal from Sakaar, a planet Bruce Banner's Hulk once freed from tyranny. Now a new terror dominates the globe: the Warlord of Sakaar, who systematically crushed and enslaved the nomadic clans of the planet. As the champion of the Doka'abi, the last remaining tribe, Amadeus must compete in the Warlord's barbaric Gauntlet to win their freedom. He released the Hulk within him to complete the first round, but there are four left-- and as the Warlord's tribe probes Earth in search of an enemy that can stand against the Hulk, Amadeus must fight an enemy wielding a literal human shield! Can he win without losing himself to the darkness within?
