YOU WERE
HERE.

AND THEN
YOU WERE
GONE.

ONE YEAR LATER.

**THE KR'GR'KASH
MEMORIAL SLAVERS
STRATOLIFT.**

YOU CHANGED
MY LIFE WITH
A LOOK.

YOU CHANGED
MY MIND WITH
A WORD.

AND THEN YOU
WERE GONE.

YOU SHOWED ME
WHAT BRAVERY
LOOKED LIKE.

YOU SHOWED
ME WHAT LOVE
MEANT.

AND THEN...

... YOU WERE
GONE.

I CRIED FOR
A MONTH.

WEERDROX.
REPORT.

All things
fall! **Gravity** is
an unforgiving
constant but
life screams
onward!

THEN I GOT
ANGRY.

COOL. JUST
LIKE WE
PRACTICED.

AND FINALLY,
I GOT BUSY.

I SAVED
PLANETS.

AIDED
REVOLUTIONS.

SAW A THOUSAND DIFFERENT
SUNS BLAZING A HUNDRED
DIFFERENT HUES.

I LIVED.

I LIVE...

I LIVE HOW YOU
WOULD HAVE.

BUT IT'S NOT
ENOUGH.

BEEP

I USED TO DREAM
ABOUT YOU. WHEN
I DREAMED.

BUT THAT WASN'T
HELPING EITHER
OF US.

BECAUSE I'D
ALWAYS WAKE
UP.

AND I'D ALWAYS
BE ALONE.

AND YOU'D
ALWAYS BE
GONE.

THANK SPACE I DON'T
DREAM ANYMORE.

THEY
GOT AWAY
CLEAN?

MOCORANT
ASTEROID BELT.

NOTHING TO
SEE HERE.

ATTENTION,
SHUTTLE ALPHA.
YOU ARE CLEAR
FOR DOCKING.
NOT A MOMENT
TOO SOON.

CONFIRMED,
ALIGNING FOR
DOCK. TOO
SOON FOR
WHAT?

DOCK
FIRST.
ANSWERS
LATER.

WELCOME
HOME.

YEAH...

...HOME.

MUCH
SURPRISE
SHOCK AWE
NEVER GUESS
SPARKS
A-TINGLE!

SLOW DOWN, BOT,
THE TRANSLATOR
CAN'T KEEP UP.

THE
SUPERVOID.

WAIT,
WHAT?

I'M
READING
A SIGNAL
FROM THE
SUPERVOID.

THAT'S IMPOSSIBLE.
WHAT KIND OF
SIGNAL?

COMPLETELY
UNKNOWN.

BUT UNTIL
MOMENTS
AGO, THERE WAS
NOTHING. EVERY
PROBE WE SENT
RETURNED ONLY
DARKNESS. NOW,
THERE IS
LIGHT.

BOT, STOP. WE
BOTH KNOW THAT
THE SHUTTLE CAN'T
MAKE
THAT FLIGHT. THE
ENGINE WE'D NEED
WOULD BE STARSHIP
CLASS. MASSIVE.
REGULATED.

TRUE.
ALL ENGINES
BUILT WITHIN
OBSERVATION OF
THE REGULATORS
HAVE MANDATORY
FAIL-SAFES, KEEPING
ONE FROM VISITING
A QUARANTINED
AREA OF SPACE
SUCH AS THE
SUPERVOID.

KACHSSSSSS

OF COURSE,
THE CORE
DOESN'T
OBSERVE
EVERYTHING...

Catrin.

In the heat of the universe. In the explosion of suns. The birth of all elements. Lead to you. And me.

FOR ONCE, JUST SAY IT PLAIN.

...

"CATRIN, THE PERSON YOU CARE ABOUT MOST IN THE WORLD MIGHT BE ALIVE. WE HAVE A SHIP TO RESCUE HER, LET'S GO DO IT!" THAT'S WHAT YOU'RE TRYING TO SAY?

NO. MY ANSWER IS NO.

???

BUT WE HAVE A SHIP! AND UIVA MIGHT BE--

STOP. DON'T EVEN SAY IT. DON'T THROW AROUND FALSE HOPE LIKE YOU KNOW WHAT IT FEELS LIKE.

BIG DEAL, A SIGNAL. SPACE IS WEIRD, SIGNALS HAPPEN ALL THE TIME. YOU KNOW WHAT DOESN'T HAPPEN? PEOPLE COMING BACK FROM THE DEAD.

She smells a song, but can't find the tone.

I'M THAT WRONG, HUH? FINE. WHAT ARE YOU TRYING TO TELL ME, LITTLE GUY?

Impossible happens every day. With every breath.

So why stop breathing now?
