RISE and SHINE.  
Lazyjanes!

Oh, what a beautiful morning! Don't you girls just feel full of the day's possibilities? Aren't you simply RARIN' to get up and go?

What...  
time is it...

A time I  
frankly didn't  
know existed.

April. April it is barely dawn. It is barely dawn on a summer's morning. DAWN COMES SO EARLY IN THE SUMMERTIME, APRIL.

You are all a delight and a CAUTION. Come on, don't you remember what day it is?

You drink coffee?

I drink EXPERIENCE.

Today is OUR day to have breakfast with the Zodiac Cabin--

--and our FIRST breakfast with BARNEY as a Lumberjane!

I am so excited I can barely contain myself, gracious.

--I bet they already have their bunk decorated, that seems like very Barney, don't you think? And maybe they'll want to bake cookies today during free time, it's no big deal of course, maybe they'll want to do Friendship bracelets, I don't know if Scouting Lads do those--

All right, I'm gonna go to counselor check-in. I'll see you all after breakfast. Don't get Barney into too much trouble on their first day.

You know us, Jen, never a bit of trouble!

NO!

THEY'RE ALL STONE!

Oh gosh oh no...

BARNEY!

Whoever did this couldn't have gotten far! See, they're all in getting-ready mode and their counselor is gone, it must have just happened.

Oh Barney...

Jo, they could have climbed out there! It could have been the figure we saw in the woods.

This seems different than last time, when Jo got turned to stone...no crystal, no anagrams.

Different magic.

April, it's going to be all right. Where the Zodiacs are right now is kind of shadowy, and a little scary, but they're okay. I've been there, remember? You guys saved me when I was...turned.

And we're gonna save Barney and the rest of the Zodiac cabin.

Barney is our friend. We're not going to leave them behind.
