# SPIDER-MAN & VENOM: DOUBLE TROUBLE

**SPIDER-MAN** and **VENOM**.

They've been enemies.

They've been allies.

They've been plenty of things in between.

But now...they're roommates! Unfortunately for Spidey, Venom is pretty awful to live with. He doesn't pay rent, he eats all of Spidey's food and he unleashed plant monsters in the apartment of their neighbor Ghost-Spider.

Spider-Man realized how much worse it can get when he wakes up to find Venom has switched their bodies! **OH NO!**
