A wide shot of an operating room. A patient lies on a table under large surgical lights. A surgeon in green scrubs and a mask stands at the head of the table. Medical equipment is visible in the background.

Jersey City Medical Center.

The body on this table is struggling between life and death.

This is true of all humanity, but it is *furiously* true here on this slab.

A close-up of Doctor Stephen Strange, wearing a surgical mask and cap, holding a small, glowing, golden object in his gloved hand.

My name is *Doctor Stephen Strange*. I'm a surgeon.

I can say that again now, after many years away. I use my hands and my eyes to save lives.

Doctor Strange is shown from the chest up, wearing his green scrubs and mask. He has multiple arms, some holding glowing golden symbols. The background is a swirling blue and yellow energy field.

But I'm also a sorcerer. And my occult senses can *see* this body dying faster out of *worry* for those souls it is tied to.

Worry for one soul above all else.

A close-up of a person's face, looking up. A glowing golden orb is positioned above their head. In the background, a translucent, glowing figure of a woman with blonde hair is visible, appearing to be in a state of conflict or distress.

A soul that is itself trapped in conflict.

Conflict between being there for those it loves...

...and saving others from evil.

HAMILTON PARK,
JERSEY CITY.

Hyde!
Come on
out! I *saw*
you run in
here!

I've got
life and death
things I need to
deal with, you jerk!
I don't have
time to--

You're
really gonna
make me do
this, huh?

Where
did he
go?

I DON'T WANT TO BE HERE.

So a big tough villain like you is scared to face a teenage girl? You're really gonna run and...

...hide?
Oh *no*. Mister Hyde is *hiding* from me?!

CHASING A MURDERER THROUGH THE PARK, MAKING STUPID JOKES TO FIGHT OFF FEAR.

IS IT WRONG THAT I'M ABOUT TO TURN AROUND AND GO BACK TO MY FAMILY?

Usually I'd be all about the horrible puns, but tonight is not the--

AND THEN, JUST
LIKE THAT, THE
CHOICE IS TAKEN
FROM ME.

RAWWR!

TO BE
HONEST,
I'M GLAD.
