"A STRANGE ENCOUNTER"

WRITER • SHUIZHU

ARTIST • GUNJI

ADAPTATION • GREG PAK

Lin Lie was searching for his father when he discovered that he's a descendent of the Fu Xi, one of the three tribes that stopped the war god Chiyou from destroying the world millennia ago. The tribe leaders defeated Chiyou using sacred weapons and buried his remains in three separate tombs, which their descendants guarded for centuries to come.

Before he disappeared, Lin Lie's father accidentally removed the Sword of Fu Xi from one of the tombs, freeing a piece of Chiyou's soul in the form of an orb. The orb was taken by a descendant of the Nü-Wa tribe, Ji Shuangshuang, who believed Lin Lie incapable of protecting it. Before he could prove her wrong, Baron Mordo appeared and tried to steal the sword!

Doctor Strange saved Lin Lie, but now the Sorcerer Supreme is questioning him too...

Sword Master and Shang-Chi had made a deal with Ares: Sword Master would use his magical blade to help the god of war rescue his abducted son, the Drakon Ismenios, in exchange for Ares helping Sword Master find his missing father. The bargain struck, the three traveled to Madripoor, where they found the Drakon being held captive in an ancient temple. While trying to free him, they were met with the fury of the goddess of Madripoor!
