

STEPHEN J. CANNELL'S

# THE GREATEST AMERICAN HERO

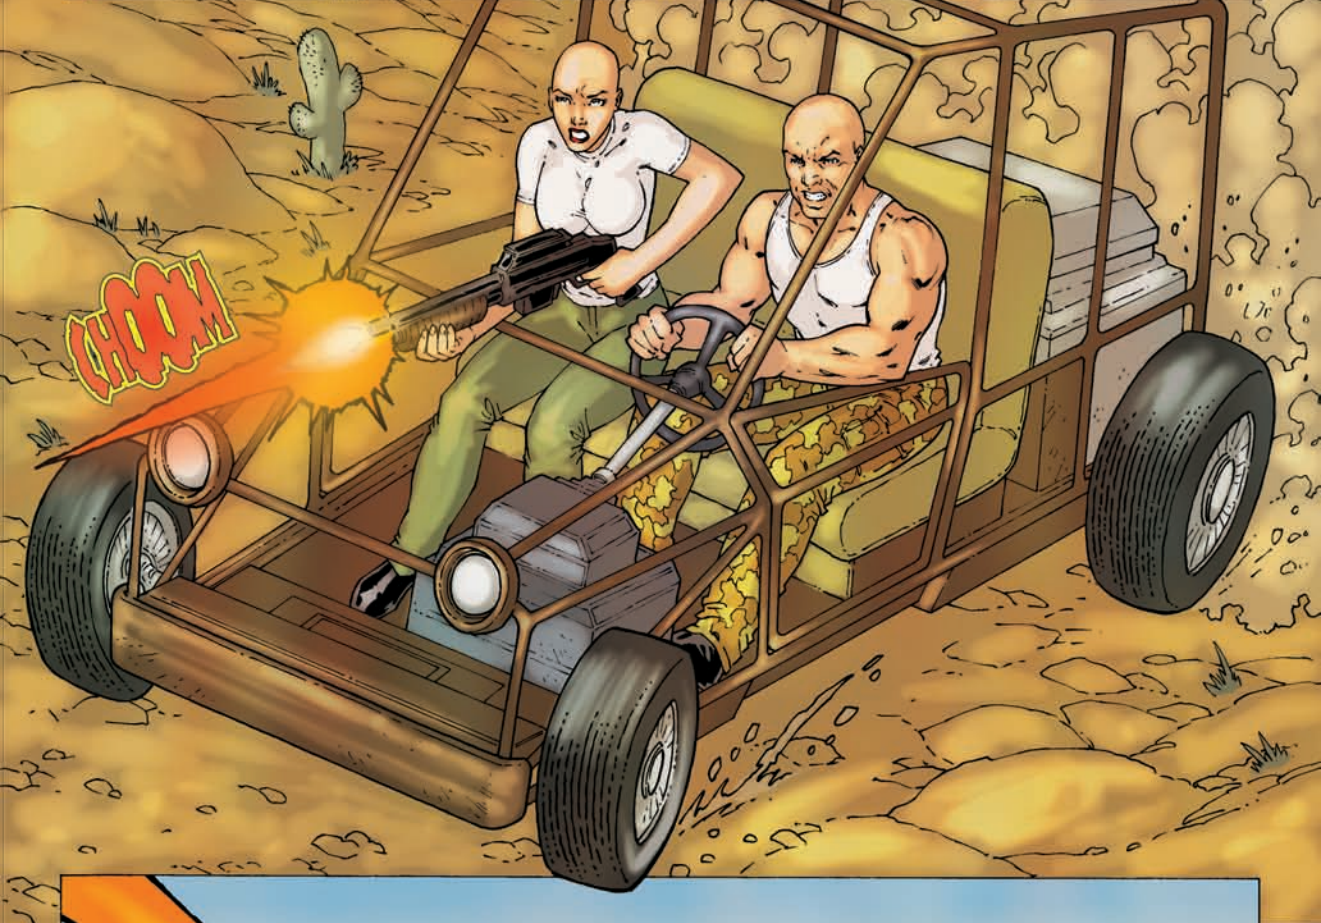

9:15AM

SOMEWHERE  
NEAR  
CASTAIC LAKE

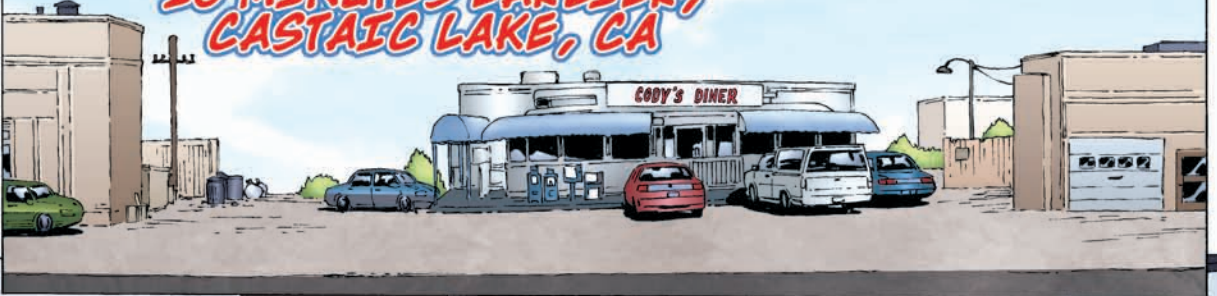

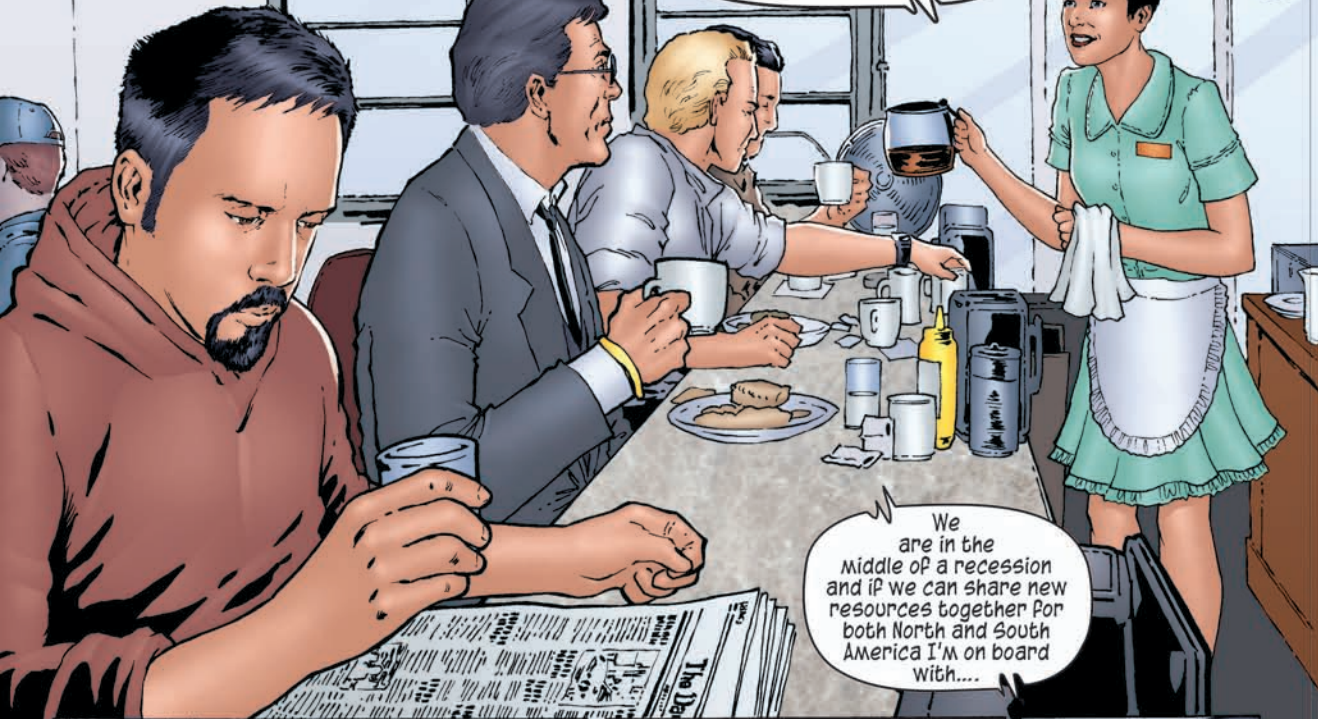

# 20 MINUTES EARLIER, CASTAIC LAKE, CA

Ahh, Sweetheart, don't be afraid to pour me another cup of coffee there.

In just two days, President Thompson will be landing in Los Angeles to attend the conference where leaders from both North and South America will reach a landmark agreement regarding....

We are in the middle of a recession and if we can share new resources together for both North and South America I'm on board with....

And then we can all join hands and sing Kumbaya!

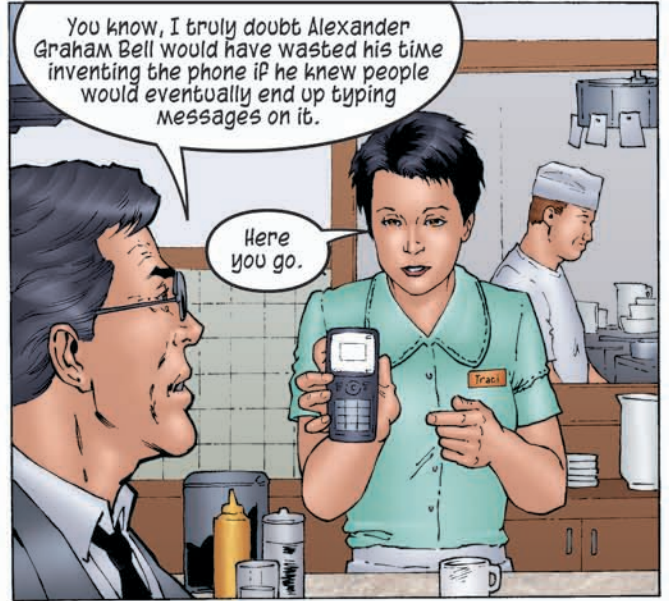

Thompson's driving this country straight into the liberal toilet!

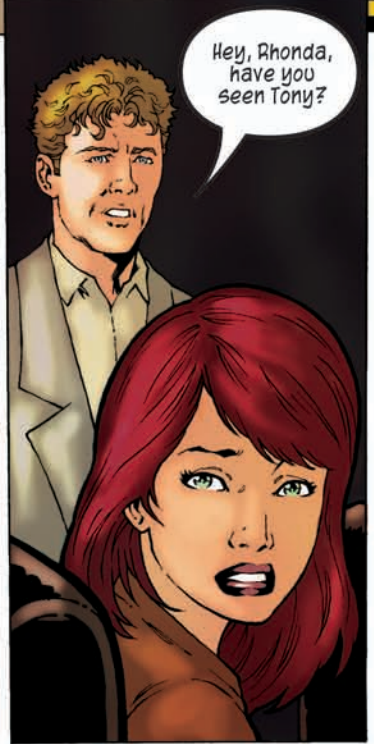

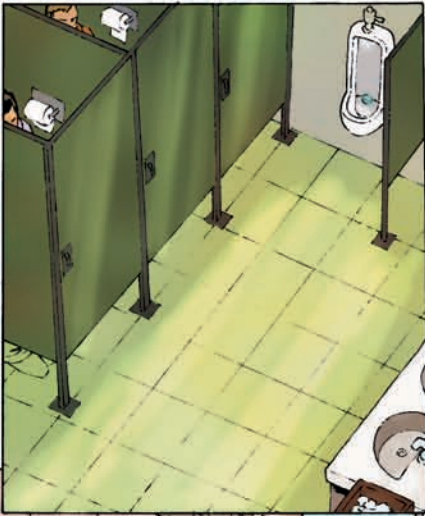

We're going to have wait four years until we can pour some red, white and blue Drano down the pipes to unclog this monumental mess.

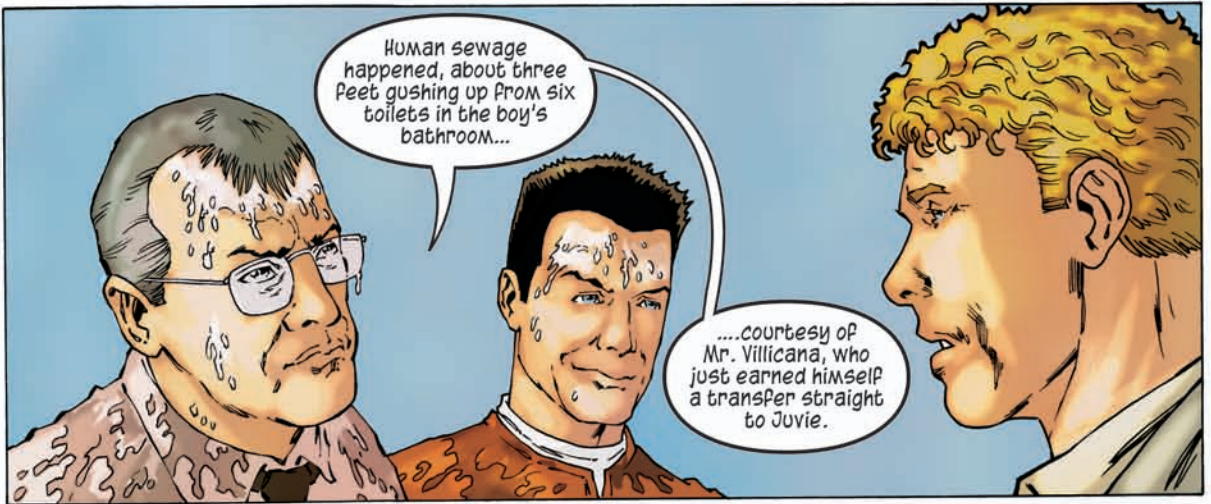

I swear on his life, Mr. H. I'm telling the truth.

Derek... Tony gave his word and that's good enough for me.

Good enough to bet your career on, Hinkley?

"Trust men and they will be true to you..."

"...Treat them greatly and they will show themselves great"

People named Ralph should never quote other people named Ralph... it's just odd.

And Emerson never worked at a public high school.

Let me know what the damages are and I'll take care of it. Now, if you'll excuse us... we're late for our field trip.

This isn't over. Not by a long shot Mr. Hinkley.

Hey Mr. H... are you a nice guy or a sucker? I can't figure it out.

I ask myself that same question all the time, Tony. Sit down.

Let's go.
