

Christmas Eve. 200 miles northwest of Edmonton.

It is a bad thing to come upon *Death* in a lonely place.

PAPA?

PAPA,
IT'S ME!
I GOT
LEAVE--

P-PAPA!

Pa never *liked* Christmas much.

Apparently the feeling was *mutual*.

TIM KEEBA

They come for me, next.

The Clown.

The Overseer.

and the Man Who Walks.

I call the *cops*.

They say the usual things.

Weather's too bad, they can't get out 'till morning.

Then I call Papa's daughter:

She ain't too pleased to hear from me even at the *best* of times.
