

# AMERICAN LEGENDS

#3

SCHWARTZ • STUDIO HIVE

Fully Hannon, Dory Campbell, and Mike Hook continue their journey in one of the wild frontier's grand vistas and remarkably scenic, but they aren't there for sightseeing. They are on a mission to get to Sally's brother, a guide for the Lewis and Clark Expedition, before the dangerous Furbie King gets to him first. That getting from here to there is another matter. It seems every time they traverse the mountain range, another is just beyond. And it isn't only the rugged terrain slowing them down...there are suspicious suspects around every bend...

DID YOU  
LOSE THE  
TRACK?

NO,  
BUT HANG  
BACK, THERE'S  
MOVEMENT  
UP AHEAD.

NEVER SEEN  
WOLVES WITH  
THOSE KIND  
EARS.

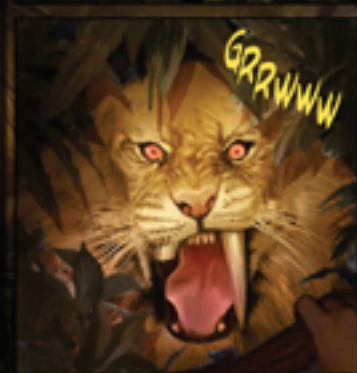

FURTHER  
WEST WE GO,  
THE MASTER  
THE OTHERS  
LOOK.

NO SENSE IN DISTURBING  
'EM WHILE THEY FEAST. WE  
BETTER GO 'ROUND.

I SAY WE  
DON'T HAVE  
TIME TO  
WASTE.

THE BIGGER  
THEY ARE, THE  
HARDER THEY  
FALL.

THE  
CRYSTAL: IT'S  
GLOWING.

GRRRRRRR...

THE SAME  
TOOTH DON'T  
LIKE THE  
G-CRY.

THE  
ROCK IS  
MAKING IT  
CRAZY!

MAKE  
HIT THE  
PVE!

DON'T  
SHOOT  
IT!

CLIMB  
HIGHER,  
BABY!

GRRRRRRR
