

EXTREMIS 3.0

BE BEAUTIFUL • BE INTELLIGENT • BE HEALTHY • BE IMMORTAL

BE SUPERIOR

Tony Stark is a technological visionary... a famous, wealthy and unparalleled inventor. With the world's most advanced and powerful suit of armor, Stark has valiantly protected the innocent as an invincible bright knight known as IRON MAN. But an epic battle with the psychic-powered Red Skull altered Stark's mind.

With a more arrogant and devious personality surfacing, Tony has used San Francisco as a testing ground for the Extremis 3.0 App. It can improve a person's life, making them more attractive, smarter and healthy... But it comes at a cost and not everyone can afford it. The population is divided into two: mere humans and those who are superior.

Daredevil doesn't like what it's doing to his city...

CHAPTER 2: DAREDEVIL VS. IRON MAN

Tony Stark gifted a new Extremis app to the people of San Francisco. *Perfection*--downloadable through any smart phone.

But it wasn't a gift. It was just a taste.

He tore it away, and he made his utopia prohibitively expensive.

Those who couldn't afford it were desperate to get it back, and desperate people--

DON'T SCREAM.

--do desperate things.

JUST GIVE ME YOUR DAMN BAG.

NO... I NEED IT.

The kid's heart is beating so hard that I could hear it without enhanced senses. He's more scared than the woman he's mugging.

PLEASE.

I SERIOUSLY DON'T WANT TO HURT YOU.

I JUST--

AGH!

DAREDEVIL!

HNF!

HNG.

YOU SEE THIS? I'M INTERNET FAMOUS AND THIS IS GOING TO BE ONLINE IN THIRTY SECONDS, YOU ****!

NO. PLEASE.

YOUR LIFE IS OVER.

FLASH

NO BULLETS.

NO. I'D NEVER...

MY DAD IS GOING TO KILL ME.

Crime is running rampant throughout the city. Lives are being ruined.

It's time Tony Stark and I discussed his "Utopia."

Stark Island.
Formerly
Alcatraz.

I guess it's fitting
that Tony chose the
former home to
criminals for his new
base of operations.

Because he's
holding the entire
city ransom.
