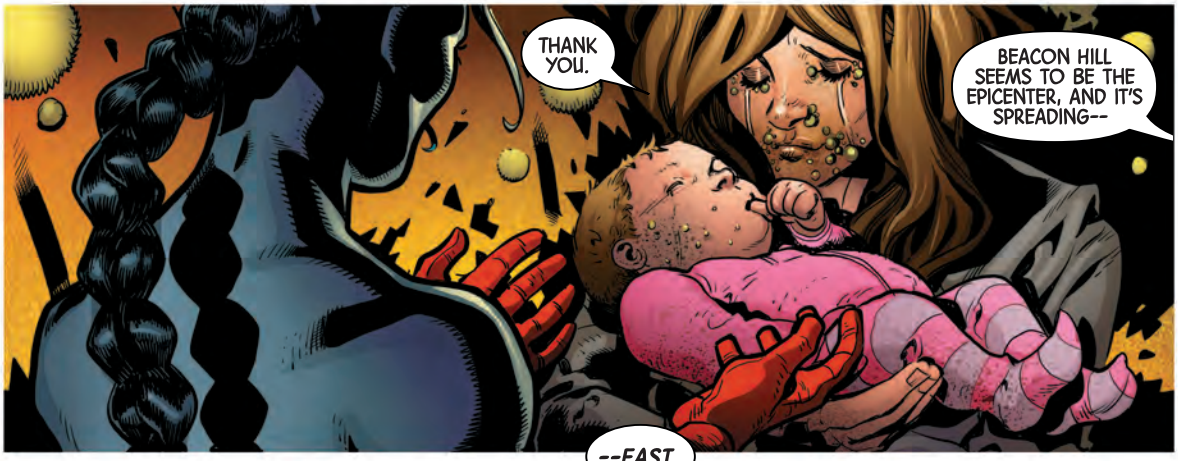
HELP!
YOU MISSED ANOTHER!
THE STALKS ARE GROWING AT AN IMPOSSIBLE RATE.
TANGO DOWN. NOBODY TELL P.E.T.A.
BOOM
HERE'S YOUR CHANCE, SYNAPSE.
REACH INTO THEIR BRAINS AND START UNPLUGGING THESE THINGS.
I... CAN'T.

IT'S LIKE THEY DON'T HAVE AN ANIMAL BRAIN STRUCTURE FOR ME TO SNEAK INTO.
YOU SURE? CAUSE THEY LOOK LIKE ANIMALS TO ME.
WHY DON'T YOU TRUST ME, ROGUE? I'M NOT HOLDING BACK.
JUST HELP ME UNDERSTAND WHAT YOU'RE BRINGING TO THE TABLE. YOU CAN COMMUNICATE WITH THE TEAM TELEPATHICALLY, YOU CAN TWEAK OUR NERVOUS SYSTEMS, BUT YOU CAN'T DO ANYTHING TO THESE CREATURES?
I CAN'T FEEL THE ELECTRICITY IN THEIR HEADS.
I'M TELLING YOU, I DON'T THINK THEY HAVE--
CAN YOU HELP ME?
I WAS TRYING TO GET HER TO THE HOSPITAL, BUT THE WAY IS BLOCKED BY THOSE THINGS.
OH MY GOD.

WAH-WAH-WAAAAAH!
MAY I?
OOF.
I HOPE SPIDEY COMES BACK SOON.
WAH-WAH!
I HAVE TO BE CAREFUL...
...NOT TO OVERDO IT. POOR KID.
WAH-
I'M BUFFING HER IMMUNE SYSTEM-- BUT I CAN ONLY DO THIS ONCE. IT'S PUTTING A BIG STRAIN ON HER TINY BODY.



"DO YOU UNDERSTAND? JOHNNY! PAY ATTENTION!"

BELIEVE IT OR NOT, THERE MAY COME A DAY WHEN YOU NEED TO KNOW ABOUT *SCIENCE.*
PFFT. YOU KIDDING?
THAT'S WHY WE GOT *YOU,* REED.
ONCE AGAIN, YOU WERE *RIGHT.*
I MAY NOT HAVE A BIG BRAIN...BUT I KNOW WHERE TO FIND SOME AROUND HERE.
