We are *not* exposing Karnak to the Terrigen Mists.

We don't understand why you'd deny your second child Terrigen.

Really? Go and visit his older brother. In the water. Where he has to live now.

Karnak will not suffer the same fate.

Then what use to Inhuman society is he?

He will join me in the Tower of Wisdom here in Attilan. He will study. He will train.

He will be of more use to society than you ever were.
