THE X-FILES™

"CAME BACK HAUNTED" PART 3

Previously on *The X-Files*...

For years, FBI agents Fox Mulder and Dana Scully toiled in the X-Files Unit, a one-office division of the Bureau dealing with cases deemed unsolvable and related to unexplained phenomena. Eventually, both agents left the FBI and began new lives in peaceful anonymity. However, recent events prompted them to return to the Bureau and the X-Files.

Mulder, under the influence of a strange entity, has travelled to Hungary, where he has been conscripted into a work camp. Meanwhile, Scully has discovered a link between a terrorist attack and a peculiar mall shooting they recently investigated. And now she's been invited by Firas Ben-Brahim on a rescue mission for Mulder...
