When we last saw Squirrel Girl, she had come up with a plan to **HEIST FREEDOM BACK**. Let's see how that worked out!

Dang it!
How did our plan
Fail so completely?!
How does this even
happen??

AS YOU WILL
RECALL WE HAD JUST
ESCAPED ENIGMO BY
SHRINKING, BUT THEN WERE
QUICKLY SPOTTED BY
ANOTHER ENIGMO

WHICH ONLY
ILLUSTRATES THE
ESSENTIAL AND
MADDENING FUTILITY
OF OUR
UNIVERSE

"MY MEMORY OF THESE EVENTS IS RECORDED WITH PERFECT, INESCAPABLE FIDELITY"

HEY GUYS.

Enigma!!

YET AGAIN CHAOS SURROUNDS US, AND YET AGAIN I FIND IT TRAVELING WITH ITS TOO FAMILIAR COMPANION... INEVITABILITY

Dude, if we ever get back you gotta help me with my nihilism homework; this is gold.

Oh, it is *on* now. Stay back, Squirrel Girl's mom!! I'll protect you!

No, wait wait wait!

PWEELOOP

I'm a good guy! I'm on your side!

Yeah right, chump!

No, I swear it! You can tell because I don't have the same scar on my nose all the other bad Enigmas have!

Hm.

Tiny Squirrel Girl on my shoulder, what do you think?

I think we should hear what he has to say, Scott.

I also think there are some *not unproblematic* concepts at play here equating innate goodness with the ideals of traditional beauty, but we can talk about that later.

"Here's the deal: years ago I was a star in the **Unlimited Class Wrestling Federation**. Remember them? Everyone in the league had powers.

"But *somehow*, people got tired of watching a rock man fight a man who can become tinier men. Sales dropped, and the league closed.

"And just like that, I was homeless.

"I was stolen from, beaten up, attacked. People looked at me with everything from cold indifference to actual hatred.

"I saw humanity at its worst.

"One day I was attacked by someone who wanted what little money I had. But when we all rejoined to fight our attacker...

"...I didn't.

"I watched myself fight back. I watched myself get hurt. And then I watched myself leave.

"And that was it. I decided I'd had enough of people for a while. I lived off the grid. Eventually snuck into Canada.

"And that's where I ran into you, on my little island."

CANADA:
50 MILES
(or 80.4672 of their precious "kilometers")

That island thing happened in *The Unbeatable Squirrel! Girl* #13, which came out directly before this issue! Come on, man! SERIAL STORYTELLING WORKS BEST IF YOU READ THE ISSUES IN ORDER, WE'RE TRYING HARD HERE BUT YOU GOTTA HELP US OUT AT LEAST A LITTLE!!

It was easy enough to follow you, since I look like the people in power. You were tracked by helicopter, by the way.

So you grew like a separate ant colony! A *good* ant colony!

All ant colonies are good ant colonies, Nancy. And Enigma, sorry, I don't buy it. What puts you on *our* side when the others want to take over the world?

"Those of us born like this--there's no manual, Ant-Man. We all have to figure it out on our own."

"And there were times when I'd see the violence and bigotry and conflict in our world and figured 'You know what? I *could* do better.'

"I'd thought about taking over a lot. But then in my travels I found people who showed me kindness I never expected..."

"...because I never saw it in myself."

My other me--he hasn't had those experiences. He still thinks *he's* the solution. He doesn't know what can happen when you give people the chance to surprise you.

I want to help him, but first we need to *stop* him. And I know you don't trust me, Ant-Man, so I'm gonna tell you my greatest weakness, right now...

...when I split into tinier people, my brain gets smaller, too. I mean, when I merge back together I remember everything they experienced, so there's definite advantages, but yeah:

The smaller I get, the stupider I get. Get me tiny, and you'll be able to outsmart me no problem.

Actually, I can use that. You want a heist, Squirrel Girl?

Well, here's your frigg'in' heist.

Eeeee

Can you tell an Ant-Man story and *not* have a heist in it? It is a question science is unable to answer, because the second someone tries, they're like, "Man, what if I just put a Fun heist in here though?!"
