Look at you!

you stayed with the anwyn? I know them!

good for them!

yes! khepi had a baby boy!

oh, wait...

coyote put a binding on you?

what for?

the tooth he gave me... he didn't want me telling anyone about it.

there's no telling what that fool is up to. I kept the tooth safe for you.

and... I put katerina's homework book back in her room after you... left.

oh um... thank you.

I'm so sorry for what I said.

so, these are the new dorms?

yes. I'm sure I saw something swimming out there.

jones moved all your belongings here herself. I made sure everything was accounted for.

I'm glad you were safe with her. ysengrim explained what she is to me.

OR tried to, anyway.

hmm, she can be interesting company.

IS... anyone else here yet?

no, you're the first arrival.

but katerina's room is next to yours.

she should be here any moment!

I have no idea what this thing does.

Look, I gotta go get more of my stuff.

Kat... are you okay? I'm so sorry about the summer holiday.

did you have a nice time?

annie, when I heard you ran off, I was devastated.

then I heard... you know, the reason you ran off and I was so worried.

then that Jones Lady said you were staying in the forest.

we went on holiday and I spent a long time worrying about you...

and you know... I even felt a little angry that you'd ditch like that...

now I don't know what to think.

but mainly I wished you were there with me.

and that made me feel even worse.
