

Appreciate it if you could get'r running again soon. But keep the outside as it is.

He, uh... Likes it that way.

And maybe you could, uh, keep this one off the books? Thanks m-

BANG

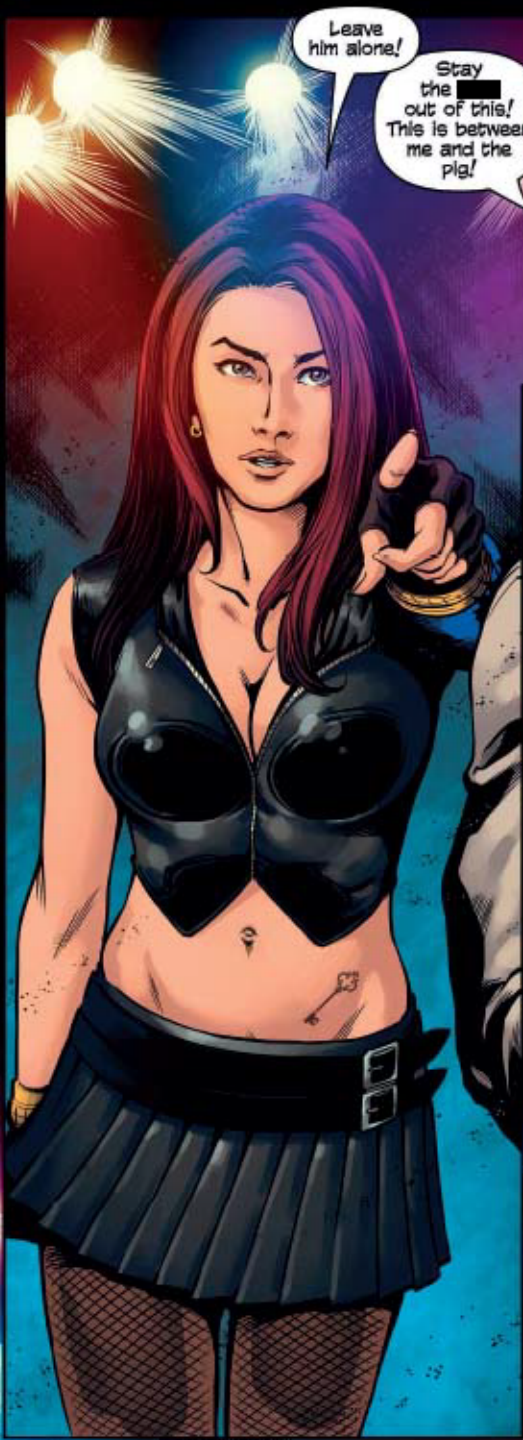

[redacted] man...!

Stay the [redacted] down!

...Can't leave you be for a damn second without someone wanting to nail you to the wall.

Leave him alone!

Stay the [redacted] out of this! This is between me and the pig!

I'm off duty, but a few locals might not like what you've got in your pocket...

God dammit, Chris, I told you never to bring that shit in here!

How the hell...? You son of a...!

I said get the fuck out!

Thanks, uh...
Faye.

The fuck was that about?

Law and order. You know, cop stuff.

My hero. What brought you boys into town?

Special... Uhh, road trip mission. Super secret stuff.

Road trip. Special Mission.

Oh my... Sounds important. Well, if you boys need a place to stay, I've got a place with a few beds you might like.

Sounds good to me.

I'd also need, uh...

Goddamn ladies always jumping right on your drunken hairy ass...

Just don't get it.

Home sweet home.

Sweet's an understatement... This is a god damn candy store.

This is your place?

More like a place of business... But I do have my own room.

So this is, uh... And you're, a...?

Madame Faye, are these lowlifes giving you trouble?

Show some respect, Sammy. They're my guests.

Yeah buddy... Manners!

Sorry, Ma'am. You didn't tell me we were expecting any guests.

Last time I checked, I didn't need to let you know about all my plans.

As your security chief, I-

As my security chief, you will show appropriate courtesies to any guests I bring.

Yes ma'am.

I'm sorry about that. He can be so protective, especially around a man in uniform.

Well, considering the kind of business you've got ...

Are you going to arrest me?

Not really my wheelhouse.

...kind of security guard carries around samurai sword? Some Kurosawa ...
