## SURVIVOR'S CRUSADE

JACKSON LANZING   COLLIN KELLY   ASHLEY A. WOODS

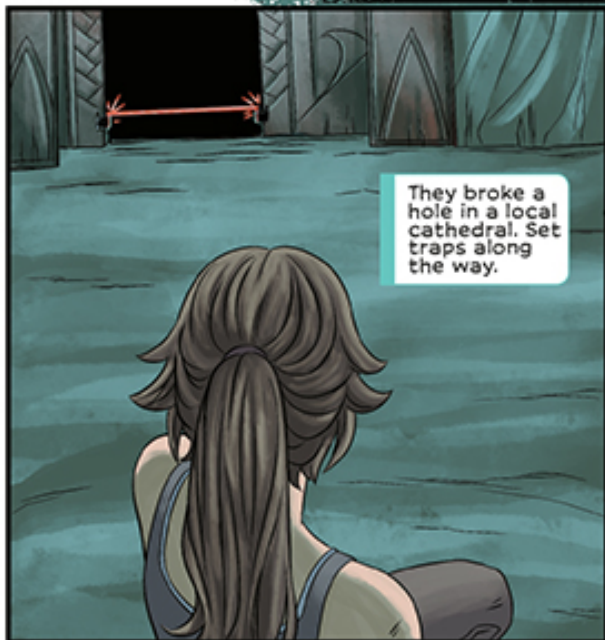

You know  
what to do.

**BEEP**

Jonah.  
It's Lara.

I've gone and done  
something rash.

It was beautiful, Jonah.

This place didn't belong in a museum. It *was* a museum.

THAT'S ANTARCTICA.

IN 200 A.D.

Strange riddles and impossible secrets. You'd have loved it.

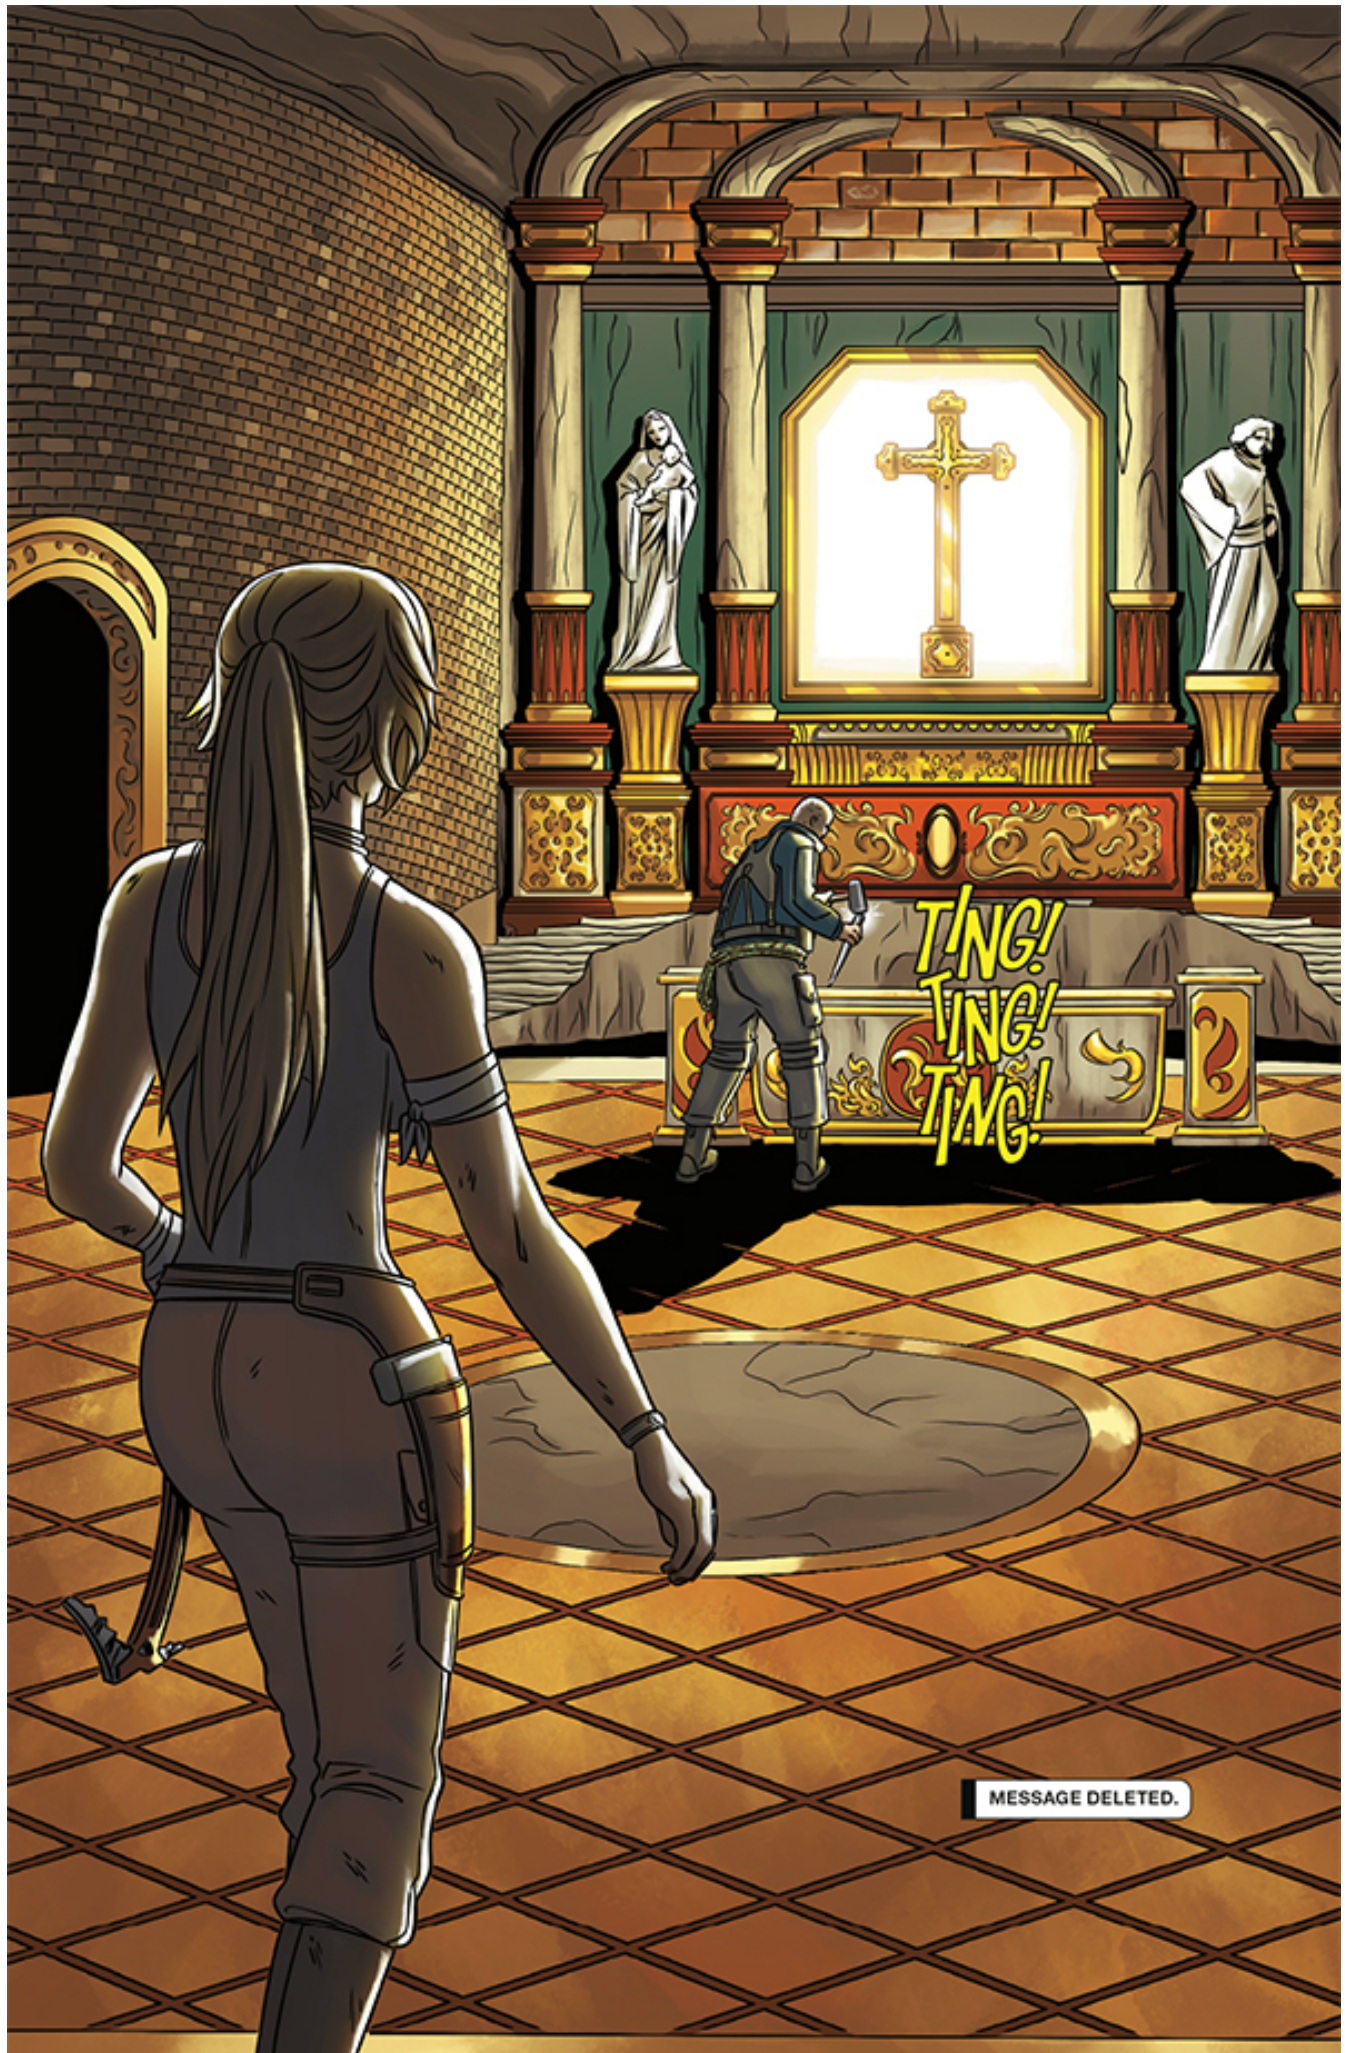

ANTARCTICA WASN'T DISCOVERED UNTIL 1773. WHAT DID THEY FIND?

But I wasn't there for the riddles. I wasn't there to excavate.
