“WHAT DREAMS MAY COME” PART 2

# GH**OST**BUSTERS™

## ANSWER THE CALL

**DR. ERIN GILBERT**  
Physicist and co-author of *Ghosts From Our Past*. Still searching for mainstream respect (you can tell from the pantsuit she wears under her jumpsuit).

**DR. JILLIAN HOLTZMANN**  
Engineer with a doctorate in theoretical particle physics. Has a whole mad-scientist-inventor-thing going on. Definitely studies you while you sleep.

**PATRICIA "PATTY" TOLAN**  
Lifelong New Yorker, historian, voracious reader. Least likely to be killed by headless possessed mannequins because she does not truck with that nonsense.

**DR. ABIGAIL "ABBY" YATES**  
Physicist and co-author of *Ghosts From Our Past*. Is living her dream. Loves Erin like a sister but wouldn't be caught dead in a pantsuit.

On a routine house call to dispose of a simple Class III spook, Abby, Patty, Erin, and Holtzmann encounter a truly terrifying Class VII called Schreckgespenst, that appears to be feeding on fear. What fear lurks in the hearts of the Ghostbusters? The Schrecky knows!

A dramatic comic book illustration featuring Doctor Doom in a black top hat and cape, floating in the air. He is surrounded by several floating skulls with glowing red eyes and long, flowing tentacles. The background is a detailed, high-angle view of a cityscape, likely Midtown Manhattan, with a prominent skyscraper in the center. The overall color palette is dark, with shades of black, grey, and red, creating a menacing and ominous atmosphere.

MIDTOWN MANHATTAN.

EVERYTHING IS AWFUL.

EMPIRE STATE BUILDING.

THIRTY-NINE MINUTES LATER.

I HATE BEING RIGHT. SO MUCH.

I THINK, **FULL POWER**, RIGHT?

ABSOLUTELY. NO REASON TO MESS AROUND. WE HIT HIM WITH **EVERYTHING** WE'VE GOT.

I LIKE HOW THIS IS SHAPING UP.

WE FEW, WE HAPPY FEW, WE BAND OF BADASS MOTHERF—

DO **NOT** EVEN WITH THAT CRISPIN'S DAY NONSENSE. **HOLTZY**. I'M NOT **DYING** IN THERE!

LET'S NOT LIMIT OURSELVES, PATTY! WHO SAYS EVEN **DEATH** CAN STOP US?!

UM. I DO?
