

TOOK  
AWHILE, BUT  
SOME OF THEM  
ARE ACTUALLY  
TURNING INTO  
DECENT  
SHOTS.

HOW  
'BOUT YOU?  
DO YOU KNOW  
HOW TO USE  
ONE OF THESE  
THINGS?

ORANGE  
FLOWER, UP  
HIGH ON THAT  
TREE.

**BLAM**

MY SISTER  
PIDGE AND I  
USED TO HUNT  
RATS WITH MY  
FATHER'S  
RIFLE.

HE MADE  
SURE WE  
KNEW HOW  
TO USE IT.

IN CASE  
THE TWE EVER  
CAME WHEN WE  
HAD TO DEFEND  
OURSELVES.

--AND  
SENTRIES  
ARE USUALLY  
PLACED HERE,  
HERE, AND  
HERE.

FROM THEIR  
VANTAGE POINT,  
THEY CAN SEE  
EVERYTHING.

SNEAKING  
UP ON THEM  
WILL NOT  
BE EASY.

WITH ALL DUE  
RESPECT, MEYRICK,  
I KNOW YOUR GROUP  
OF REBELS IS USED  
TO RELYING ON THE  
ELEMENT OF  
SURPRISE...

...BUT WE  
DON'T NEED  
TO SNEAK UP  
ON THEM.

WE  
WANT  
THEM TO  
SEE US  
COMING.
