

EVIL MADAME MASQUE-KATE

22 1/2 N. Venice Blvd.
Venice, CA 90291

CASE REPORT

CASE NO.: 016006

CASE NO.: 016006
INVESTIGATOR: KATE BISHOP, A.K.A. HAWKEYE
CLIENT: MYSELF

CASE OVERVIEW:

This started as finding my father and getting to the bottom of his evil deeds, but when Madame Masque sent me my dead mother's necklace, things changed. When she cloned me and imprisoned me and started wrecking my life, they changed again.

DETAIL OF EVENTS:

Since my father was also in Madame Masque's creepy basement prison (I warned him she'd double-cross him) I confronted him about his role in my mother's death. He admitted he killed her, but since I'm not positive she's dead, this is less conclusive than one might think. I left him there so I could go take down Masque, who was still running around town in a Kate Bishop clone body--but when Rivera shot her, she vanished.

ACTION TAKEN:

Before leaving Masque's, I managed to grab some old client list data and am now following up on leads in the hope that they will lead me to Masque, and from Masque to my mother...dead or alive.

ADDITIONAL NOTES:

Surprising even myself...I kissed Johnny. Is it unprofessional to put that here? Y'know what, I don't care! Swoon!
