Part II
THE ASHES OF JEDHA

It is a period of high tension in the galaxy. The Galactic Empire has returned to Jedha in an attempt to collect the remaining weapon-powering kyber crystals that survived the Death Star's attack.

Meanwhile, Rebel leaders Princess Leia and Luke Skywalker, joined by smuggler Han Solo, are leading the mission to find a new base for their operation. Upon arriving on Jedha, the rebels quickly join forces with natives of the nearly destroyed planet, Chulco Gi and ex-rebel Ubin.

However, when Ubin and Chulco lead the heroes of the Rebellion to meet with surviving members of Saw Gerrera's partisans, their welcome is less than friendly....
