

SHINJUKU AREA OF  
TOKYO, JAPAN.

Looks like  
I missed  
the rain.

Yeah.

One  
good thing.  
I guess.

Last time  
I was here--  
COMPANY  
orders--

--BACK  
when I was  
ALL of me.

Now. This  
time it's little  
more than a  
favor.

And gotta  
say--how I was  
raised, when  
someone does  
you a favor...

...it's RUDE  
to keep them  
waiting.

RING  
RING  
RING

Tiger.

I hope the  
reason you're  
not picking  
up...

...is because  
you're already  
on your way.

ALENA  
DRAVOFF.

"The  
unknown  
woman."

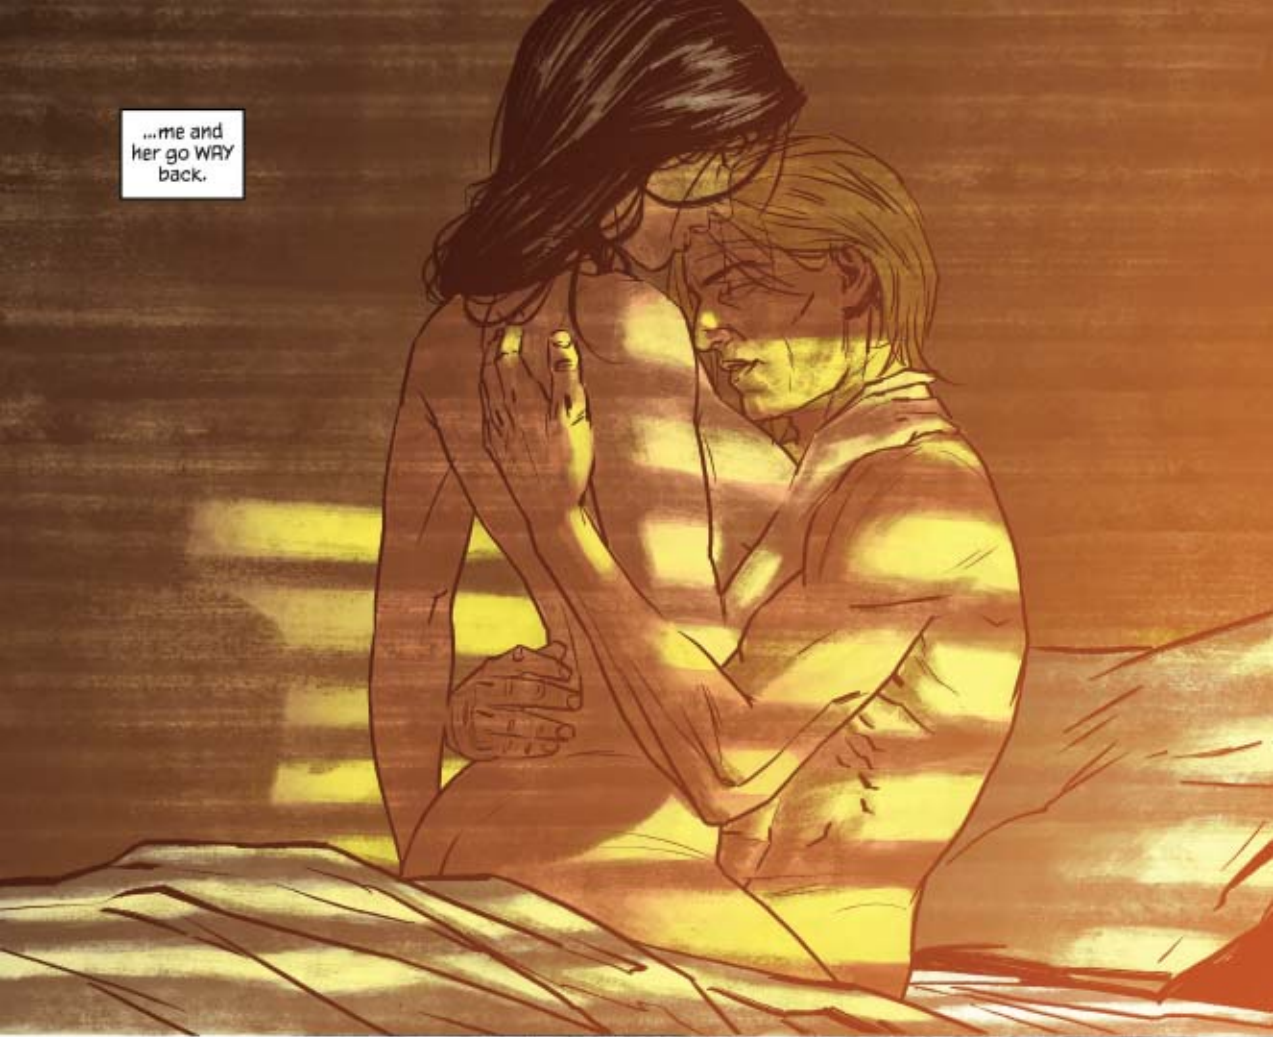

Except  
to ME.

Yeah...

...me and her go WAY back.

Dammit, Felix--

--amateur hour.

...WHAT could you possibly have to say to me?

I confess at this moment, baby.

I'm LOST for words.

Do you think I'm enjoying this--the man you are now.

PATHETIC.

There was a time--

Yes, there WAS--when I'd NEVER have known you were on me.

Now LOOK at you--I made you before you'd even entered the bar.

Yeah, I'm not the man I used to be.

But you've done such a good job of destroying ALL records of yourself...

...what I still am...is one of the FEW people who KNOWS what you look like.

Not for much longer.

It will be a mercy killing at that. You've already lost what--a hand?

More. Arm and a leg.

And you AREN'T C.I.A. anymore, so what am I to you?

Apart from a few bitter-sweet recollections?

You're nothing, Alena.

And you're right, I'm not CIA at the moment, I'm a private detective.

I know that.

You're keeping tabs on me still? I'm flattered.

DON'T be.

Not in a while--since you last mattered at all.

Ouch.

So, you're here to identify me?

Favor. The U.S. "lent" me to Japan, and no, I have no idea why they care so much.

ALL I do know is they're paying me and seeing as the last couple of months haven't been so good, I'm not complain--

Enough. I'm bored.

Me too!

Alena Davoff--

--Russian agent--WAS. Maybe not now, intel sure points that way.

DANGEROUS.

Maybe a little crazy.

The most exciting woman I've ever met.

Russian/American joint thing in Afghanistan a few years back.

Her and me.

Got to know her then.
