THE DOCTOR

Last of the Time Lords of Gallifrey, the Tenth Doctor still hides his post-Time War guilt beneath a happy-go-lucky guise. Never cruel or cowardly, he champions the oppressed across time and space - but is that enough to save everyone he cares for?

GABBY GONZALEZ

Gabriella Gonzalez is a young would-be artist from Sunset Park, Brooklyn, New York, who has had many adventures alongside the Tenth Doctor, even gaining mysterious powers on her travels!

CINDY WU

Gabby's loyal best friend, travelling with her in the TARDIS. Cindy has learned first-hand of the dangers time and space can bring, especially after leaving her five hundred clone daughters behind!

PREVIOUSLY...

Future ghost Gabby has been revealed as the Vortex Butterfly! The Doctor finally came face to face with the entity that had been intriguing him for so long... but he had to destroy this potential future version of his beloved companion, when she threatened the lives of present Gabby, Cindy, and Sarah Jane Smith. Realizing that this manifestation sprung from Gabby's block transfer abilities, the Doctor enlisted the help of old friend Zhe to help Gabby learn to control her powers...

Special thanks to Steven Moffat, Brian Minchin, Mandy Thwaites, James Dudley, Edward Russell, Sally De St Croix, Sarah Bold, Phillip Raperport, Kate Bush, and Ed Casey for their invaluable assistance.
