

**THE PLANET MOZ-GA.  
INSIDE THE MICROVERSE,  
THE SUBATOMIC FOUNDATION  
OF ALL CREATION.**

YOU REFUSE  
TO LEAVE,  
PILGRIMS!

SO  
YOU WILL  
DIE!

*I am Carter Hall  
I am Hawkman.*

*I thought I knew what  
that meant. Now  
I don't know anything.*

*I reincarnate across  
time and space, but  
I've forgotten my past.*

*I'm on an adventure  
of exploration and  
discovery to learn the  
secrets of my history.*

*Of my connection to  
a threat called the  
Deathbringers  
that reaches back  
to my origin.*

*I've never felt  
so isolated.*

*It's moments like this,  
fighting the volcanic  
army of a living planet,  
that I remember...*

...it's good to  
have a friend.

ATOM?!

YOU'RE  
SUPPOSED TO  
SHRINK!

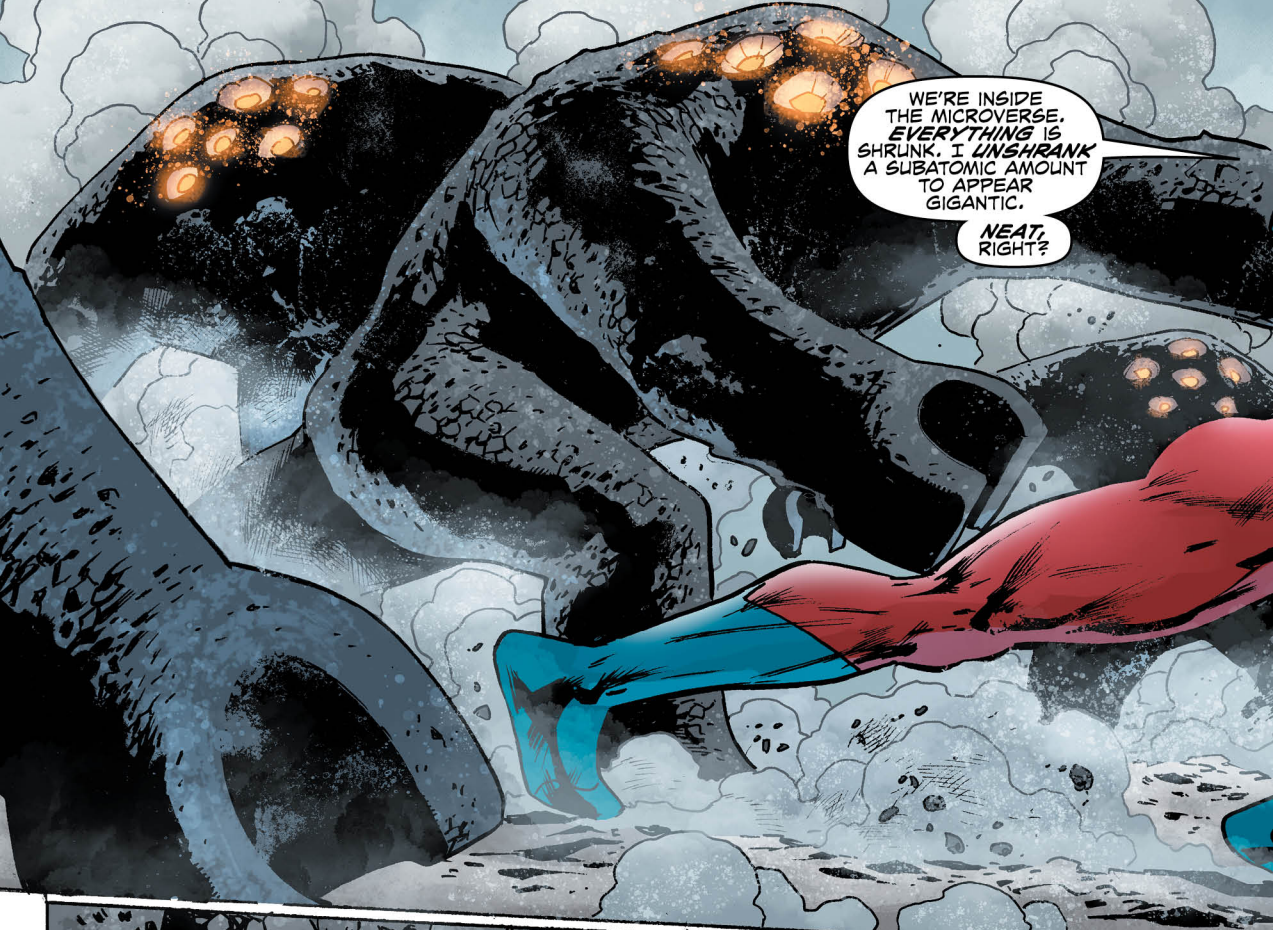

A comic book panel showing Hawkmán on the left, wearing his blue suit and mask, looking down with a determined expression. He is surrounded by a dark, rocky terrain. In the background, several glowing orange portals or cracks in the ground are visible. A red object, possibly a piece of debris or a weapon, lies on the ground in the foreground.

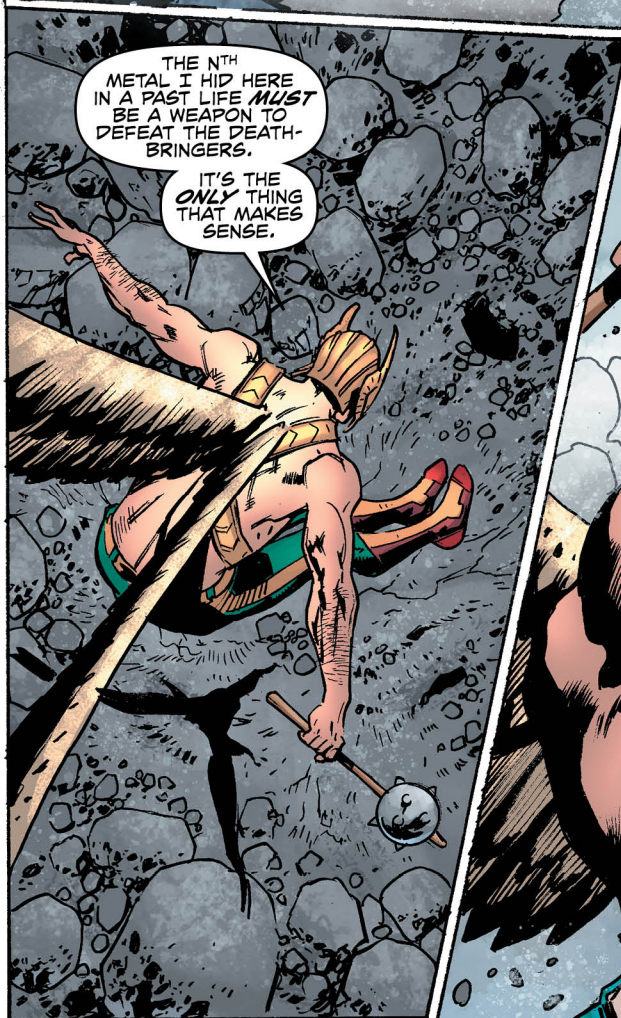

**HAWKMAN!**  
GET TO  
THE BURIED  
STORE OF NTH  
METAL!

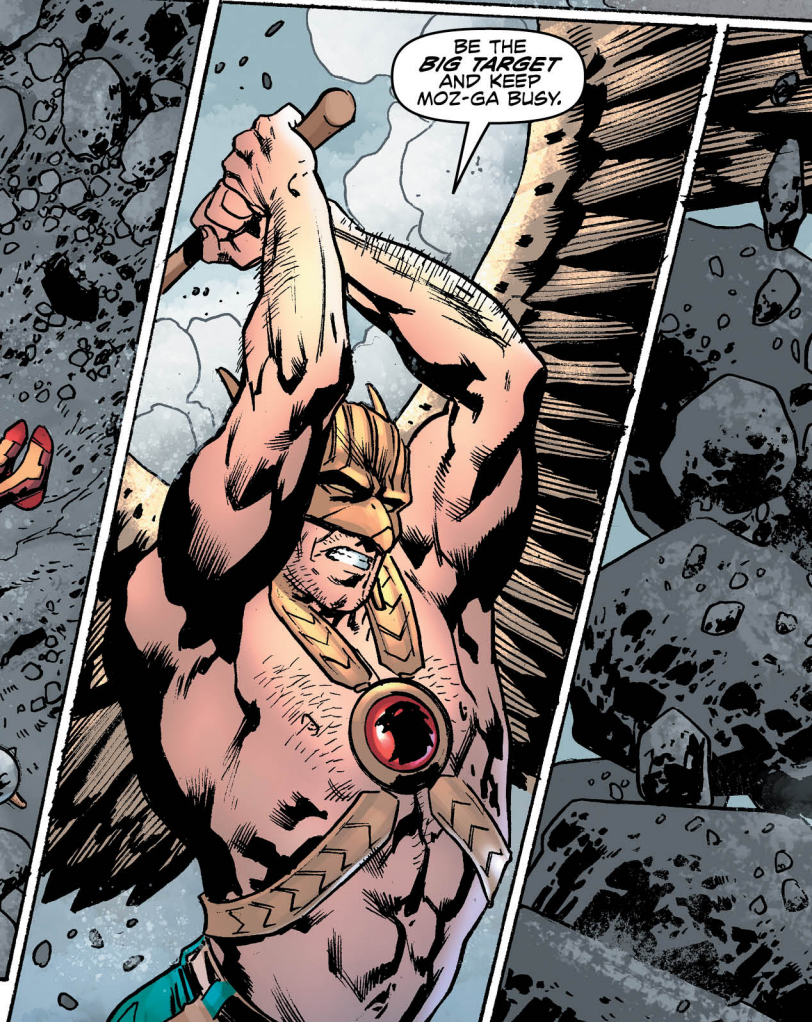

WE'RE INSIDE  
THE MICROVERSE.  
**EVERYTHING** IS

**NEAT,**

IN A PAST LIFE **MUST**  
BE A WEAPON TO  
DEFEAT THE DEATH-

THAT MAKES  
SENSE.

BE THE  
**BIG TARGET**  
AND KEEP
