PEACE IN OUR TIME

Mutants around the world are flocking to the island-nation of Krakoa for safety, security and to be part of the first mutant society.

New bonds are forged among mutantkind as old wounds heal,
but the drums of war still beat for some...

Krakoa.

Each breath
tastes of
jasmine here.

The sun
is always
warm.

Here, I can
sheathe my
sword.

Here, I need to
make my pain
to be reminded
of it.

And even
spilled blood--

--brings
new life.

Will you allow
yourself
paradise?

Do you
deserve
it?

Can you
be a part
of it?

Hai.

I can.

Wait.

That sound
in my mind.

wait--

AAAAAAH!

You are
not dreaming,
Psylocke.

Listen.
These are the
most important
words you will
ever hear.

Your
enemy is named
Apoth.

You
must kill a
god.

Do not
ask my
name!

When Abraham
heard the voice
of truth, he did not
ask. He listened.
He placed his child
on the slab.

He raised
the knife.

I am truth.
And you are not
dreaming.

You'll wither
here, Psylocke.
In the bosom
of Xavier's
peace.

Take
up this
war.

Mankind
is evolving
itself.

Apoth is the
tetragrammaton.
The new name
of God.

And by
peace shall
he unite all
and destroy
many.

Go to
Tokyo. The train.
It began with
the train.

He has
already taken
something
precious from
you.

Stop him.
This is not
a dream.

Apoth?
