GUARDIANS OF THE GALAXY

PREVIOUSLY ...

The Universal Church of Truth has returned, led by the Patriarch — Star-Lord's father! Powered by life force engines, the Church has resurrected Drax the Destroyer and raised an army of Drax clones to achieve their final goal: killing Death!

With the rest of the Guardians under the Church's mind control, Moondragon, Groot and the dying Rocket Raccoon sought help from an unlikely ally: the child reincarnation of the Magus!

Now, the ragtag group of Guardians has crash-landed on the Universal Church of Truth's flagship just in time to save Star-Lord from the Destroyer horde...but the battle isn't over yet.
