RUNAWAYS

CANON FODDER
Pt III

Am I wearing a padded bra right now?

You're wearing padded everything.

Is that really necessary?

Absolutely-- we'd never ask anyone on the J-Team to take steroids.

I meant-- are the costumes necessary? This is just a low-level raid, right?

Costumes are absolutely necessary, Miss Minoru. Especially now that everyone has a cell phone camera-- and a gun.

A good costume protects both your identity and your vital organs.

Wait, are these tights bulletproof?

Of course.

Sweet.

I won't be able to drive like this. Or, like, tie my shoes. But I do appreciate the vibe.

The rest of us will take your most basic bulletproof outfits. We don't need gun arms.

Speak for yourself!

Of course, Miss Minoru.

It's Nico. Just Nico.

"Of course, Nico. Basic. No gun arms."

If people start shooting at you, try to draw the fire to your nipples. They're *mostly* protected.

Do you have, like, a jumpsuit or something? Maybe bulletproof overalls?

I mean, fine...

Me next! Did you ever have kids my age on the J-Team?

Of course...

Little J?

I was thinking Dolly Girl...

No!

Abso-lute-ly not.

This one smells funny.

Mothballs. It's been a while.

That's Blue-J's costume, Molly. She was an acrobat. And she had a German shepherd who rescued people from fires and landslides.

Landslides? Cool, I'll wear this one!
